8th Grade CELEBRATION

Donations & Parent Volunteers Needed!

We are excited to host the 8th grade celebration on Wednesday, May 22th from 3:00 - 4:30 pm at Bemis Junior High School.

To make this event a memorable one, we kindly request your support in the form of food donations or volunteering to serve food and refreshments during the event.

If you are donating food, we would like to emphasize that due to the increasing number of allergies among our students, we are striving to create a safe environment for everyone. Therefore, we kindly ask that all food donations be nut-free. This will ensure that all students can enjoy the celebration without any concerns about potential allergies. Food donations can be dropped off in the main office throughout the week.

We are also seeking up to ten parent volunteers to assist with the event. In order to volunteer we must have a completed and approved volunteer form on file. This form needs to be completed by Monday, May 20, and turned into the main office. If volunteering, parents must sign in the main office upon arrival.

Thank you for your support this school year.

*Eighth grade students who are on the No-Go list for attendance and class citizenship are not permitted to attend this event.

Join as we celebrate our 8th grade class!

Bemis Jr High, 3-4:30 pm

Wednesday May 22nd, 2024

This is a *free* event for current 8th graders only.

RSVP to your 6th hour teacher by 5/17/24.

Students must have transportation home at 4:30 pm. Bussing not provided.

***Students on the No-Go list for citizenship or attendance are not permitted to attend.**

Pre-Excused Absence Request

According to the Student Handbook, vacation or travel during school days is discouraged. Families should seek permission from a building administrator for an excused vacation absence prior to making any travel arrangements. The request should be made in writing at least one week prior to the vacation. Vacation absences of more than 10 days in a semester will not be approved. Vacation absences that would cause a student to be placed on the No-Go list will not be approved for excusal. Vacations taken without approval will be marked as unexcused absences. Arrangements should be made with the student's teacher in advance as to timelines for completing class work. Homework may be requested and requires 24 hours to process. Work at the secondary level may be due upon return from vacation or travel. Please note that all work must be completed and turned in during the school calendar year.

Students Traveling Outside of the United States of America

Per the districts Pre- Excused Absence policy, families can request up to 10 days excused absences for travel/vacation. Please be advised: UCS does not support the international travel of our laptop devices. Teams links AND Class Link will not work outside of the US; therefore, students cannot access and complete class work while traveling. Grades of "F" will be assigned for all missed work and averaged into quarter and final semester grades. Please review the District's Exam Attendance Procedures below for additional information regarding midterm/final exam grading.

District Exam Attendance Procedures

Teachers can only give exams during the exam window. Students who are taking a non-high school credit earning class, should plan to take their exams upon return. If the end of year exam is missed, then the student will need to make arrangements to complete exams in August. Otherwise, teachers have the discretion to average quarter grades for the semester grade. Thus, waving the exam. However, this does not apply to classes that offer high school credit (i.e. Algebra, Geometry, Spanish, French, German, AP Human Geography). In this scenario, students must take the final exam. If the end of year exam is missed for the above classes, then students MUST complete exams upon their return in August.

Food Deliveries: Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Bemis. Due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. We ask that all students bring their own lunch or get a free lunch from the cafeteria.

If a student forgets their lunch, they may get a free lunch in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour.

If your child would like to purchase extras you can establish a lunch account for your child, please click [here](#).

Thank you for your understanding and we appreciate your support.

Behind the academic excellence of Utica Community Schools are countless individuals who have contributed to the success synonymous with the school district. To honor these important individuals, UCS is proud to introduce the Legacy of Excellence award to recognize the positive impact former students, staff, and community members have had locally, regionally, nationally, and internationally.

The graphic features a dark background with a shower of gold confetti at the top. In the center is a white laurel wreath containing the text "Legacy of Excellence" in a serif font, with "UTICA COMMUNITY SCHOOLS" in a smaller sans-serif font below it. At the bottom of the wreath is the UCS logo, which consists of the letters "UCS" in a stylized font inside a square border.

Date: Saturday June 8, 2024

Time: 11:30 AM - 12:30 PM

Location: HFII High School; varsity practice field
(if raining, location will be in school gym)

Clothing: comfortable exercise clothes, sneakers, cleats

- 40 Yard Move-ups
 - Set up cones or markers 40 yards apart and have players sprint the length one at a time. Each player's time should be recorded.
- Vertical jump (if we have measure device)
 - Have athletes start by standing, then lowering into a quarter squat and exploding into a jump, leaping forward as far as they can go. The length of each player's jump should be measured and recorded.
- Shuttle run
 - Place three cones in a line, 5 yards apart. Have players start at the center cone and then sprint to the right cone, then sprint to the left cone, then back to the center cone. Evaluators should record each player's time.
- Passing and Receiving
 - The WR should sprint 10 yards downfield and then turn back and look at the quarterback, who throws the pass and tries to hit the WR as he turns. The receiver should then drop the ball, cut 90 degrees to run across the field, and await a second pass from the QB. The receiver should make this catch on the run. He should then drop the ball and run across the field in the opposite direction to catch a third pass. This drill tests both the QB's accuracy and the receiver's ability to run a route and make a catch.
- Blocking Drill
 - place two bags side-by-side, 2 yards apart. Have two players line up between the bags with their hands on each other's shoulders. Their feet should be beneath them, and their butts should be down. The players should try to push or block the other one out of the gap between the bags.
- Pushups
 - Have players perform pushups for 1 minute. Evaluators should ensure each athlete lowers himself to a specific target. The total number of push-ups performed to the desired level should be recorded.

QUESTION

I have been reading about layoffs in other communities as a result of the loss of COVID Relief funds. Will Utica Community Schools be laying off any employees this spring?

ANSWER →

**UTICA
COMMUNITY
SCHOOLS**

ANSWER

No. The COVID relief funds were used to add a number of needed support positions in our district, including increasing the number of social worker positions in UCS. Through strategic financial management, and despite the reduction of one-time only COVID funding, the district will retain all positions and there are no layoffs for any employee group for the 2024-25 school year.

Laptop Charger Issue

Every student has been provided with a UCS laptop and UCS compatible charger.

Students are expected to bring a **charged laptop** along with their charger (if needed) to school every day (please label the charger with student's name).

Bemis Junior High School provides loaner laptops and loaner chargers for students that need to drop off their own equipment to have the Media Center Tech look at it, for troubleshooting, for quick fixes, to open repair tickets, etc. The loaner laptops and chargers are not intended to be given out to students simply because "I forgot it at home".

The forgetfulness can (and has) become an epidemic problem when you consider how many students attend school here every day. Loaner laptops and loaner chargers are limited in number. Priority loans must be given to those students that need a replacement device and did not forget their device at home.

Students that borrow chargers daily have most likely lost theirs. Lost chargers can be replaced for \$38. Once they are in 8th grade at the end of the year they will turn in both laptop & charger. If no charger they will be charged.

Chargers are also being borrowed and not returned so we are having to call the student out of class to find out why. Please talk to your student and make sure they have all their equipment for the day.

A **BIG THANK YOU** to ALL students who remember to bring their charged laptops and chargers to school every day!! It is very much appreciated.

ATTENDANCE PROCEDURES

Please call the Attendance Line
and NOT the Main Office number.

Please call 586-797-2599 for:

Early Dismissals Late Arrival All Day Absences

Clearly state and spell your child's first & last name when leaving a message. Please note that it **MUST** be a parent/guardian that calls in and not a student or sibling.

EARLY DISMISSALS

When an Early Dismissal is necessary please call the attendance line before the start of the school day.

Students who become ill at school and require an early dismissal must report to the Main Office before calling home.

ATTENDANCE IN POWERSCHOOL

Attendance is recorded in PowerSchool late in the school day. Our goal is to have call-ins recorded before the office closes for the day. However, if you have any questions

regarding your students attendance, please wait 24 hours to ensure that all records are complete and up to date.

PowerSchool is now generating automated phone calls to parents informing them of any absences for their students on a daily basis. Please use your Parent Portal to view your student's attendance. If you have any concerns, email the individual teacher directly through the staff tab of the school's web site:

<http://bemis.uticak12.org> or through the PowerSchool access.

If a correction is warranted, the teacher will request one.

GENERAL POLICIES

Dress Code

Bemis follows the dress code located in the [Parent and Student Handbook](#). This dress code does differ from the elementary school dress code. Student conduct is affected by student dress. Bemis strives to maintain a comfortable learning environment and our staff appreciates parental support in guiding appropriated dress for school. Students not conforming to the district code will have to call home for a change of clothing or wear a clean t-shirt and/or sweatpants provided by the school for the day.

Junior High School Parent and Student Handbook

The Utica Community Schools Parent-Student Handbook serves as quick references for families seeking answers to school policies, procedures and district activities. UCS Handbooks are published for elementary, junior high and senior high schools. Each handbook is created with student learning and parent partnership in mind. You are encouraged to download a copy and find the answers you seek at your leisure. Save a copy for future reference or go back and visit again. Remember: Handbooks are updated each year. Please [click here](#) to find the [2023-2024 Handbook](#).

PowerSchool

Parents and students can view their student's schedules, attendance and grades. [Click here](#) to access the PowerSchool Portal. Parents with multiple UCS students can now create an account to access all of their data with a single login. Parents will need the access ID and access password for each student. [Click here](#) for helpful instructional guides. Access IDs and passwords follow students from year to year. Please contact the main office with any questions.

Bemis Attendance Line

Parents are reminded to call the school attendance line, **586-797-2599**, to report their child's absence or tardiness. In order to be excused, all late/tardy students must be called in by a parent. A doctor's note must be provided to excuse late/tardy arrivals. Bemis Attendance line is available 24 hours a day. All late arrival/tardy students must report to the Main Office upon arrival to receive a late pass. If your child is absent and we have not received notification, we will call the parents.

Early Dismissal

Students who need to be excused during the school day should bring a signed note from their parents to the Main Office before school begins that morning. The note should include the date, time, and reason for dismissal as well as who will be picking the child up. By doing this, we keep classroom disruptions to a minimum as well as have your child waiting for you in the Main Office when you arrive. **PLEASE NOTE: Anyone signing a student out, must show identification and that person must also be on the students' contact list.** Students will not be released to anyone that is not listed on the contact list.

Homework Requests

Homework requests are not accepted until the third consecutive day of absence. You may request your child's homework on that third day by emailing your child's teacher. You can find a list of email addresses by clicking [here](#).

Use of Electronic Communication Devices is Prohibited

The personal use of cell phones or other electronic communications devices (ECD) by students is prohibited at any time while in school or in a district vehicle. Students may carry ECDs during the school day, but they cannot be displayed or used without permission from a teacher or administrator for educational purposes. Personal use of the device shall be limited to the time before and after the school day and only when students are outside the building. ECDs shall not be used during instructional time, lunch, passing time between classes or on any school bus without permission of a school official. The use of an ECD's picture-taking or internet connection capability is not permitted without permission of a teacher or administrator. Utica Community Schools will not be responsible for the theft, loss or damage of any ECD. Appropriate disciplinary action will be taken against students who violate the policy regulating ECDs.

If a student's ECD rings/vibrates during the school day, the ECD will be confiscated and must be picked up in the main office by the student's parent. Should this occur a second time, the student will receive a one-day suspension. If a student uses an ECD anytime inside the school, the ECD will be confiscated and the student will receive a one-day suspension.

All school meal menus are digitally accessible on all devices allowing for personalized viewing options. Users can select to view nutritional and allergen information, as well as customize print and language settings. Menus can be viewed at <https://uticak12.nutrislice.com>

Concussion Awareness

As part of a new state law, all UCS and Michigan parents will receive information about concussions, their symptoms and what to do if you suspect a concussion. All athletes are required to have this form completed and on file in the Main Office prior to participating on any sports teams. Click [HERE](#) for the concussion form.

Body Spray

Bemis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that can result in nausea and being sent home from school. In addition, strong perfume smells can trigger asthma attacks. Junior high is filled with a variety of smells ranging from strawberries to old spice. When those smells dominate the hallways, problems do occur. We are asking students to put on your favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day.

Recycle for Charity at Bemis

Look for the Disabled American Veterans (DAV) Donation Bin, located in the receiving driveway on the east side of Bemis Junior High. All items will go to the Disabled American Veterans, a non-profit organization located in Westland. Tax receipts can be found in the office. Donate your gently used clothes, shoes, toys, and small house appliances. DAVThriftMichigan.com
