

Bruce Collins Elementary

June 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Bruce Collins Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the school principal for assistance.

The AER is available for you to review electronically by visiting the following web site http://www.uticak12.org/schools/sc_collins.asp or you may review a copy at your child's school.

For 2010-2011 Bruce Collins Elementary made Adequate Yearly Progress (AYP) in English Language Arts and Mathematics. Our school enjoyed a very successful year and we greatly appreciate the support from our parents, staff, and community. The reports below demonstrate our commitment to student achievement and the continuous improvement in our planning efforts.

School Improvement Plan

Bruce Collins Elementary School's Tier II Indicators:

Tier II Mathematics Indicators:

Increase the number of students in grades third through sixth who score a proficiency level of 1 or 2 on the Mathematics portion of the Michigan Educational Assessment Program

Increase the number of students who score at the 80th percentile on the district-wide math assessments and qualify for advanced mathematics opportunities.

Tier II Reading Indicators:

Increase the number of students in grades three through sixth who score a proficiency level of 1 or 2 on the Reading portion of the Michigan Educational Assessment Program.

Increase the percent of students in grades kindergarten through sixth who score at the appropriate grade level QRI/Rigby by the end of the year using the MLPP assessment.

Tier II Writing Indicators:

Increase the number of students in grade four who score a proficiency level of 1 or 2 on the Writing portion of the Michigan Educational Assessment Program.

Increase the number of kindergarten through sixth grade students who score a 4 (Competent Writing) or higher on the district-wide writing assessments using the UCS holistic 6+1 trait rubrics.

Bruce Collins Elementary School's Tier III Indicators:

Bruce Collins Elementary School had a successful 2010-2011 school year. Students showed measurable growth in meeting the rigorous goals that staff set for student achievement, based on the UCS Indicators of Excellence School Improvement Plan and our school's Tier II goals.

Bruce Collins Elementary data teams utilized a variety of resources to analyze data, including DataDirector, MEAP summary reports, Golden Package, and district benchmark and classroom assessments. Teachers met on regular basis with the principal in grade-level data teams to analyze data and assist in planning classroom lessons and intervention strategies.

The primary instructional focus for Bruce Collins Elementary for the 2010- 2011 school year was to increase the number of students who score a proficiency in student writing. Instructional strategies such as Ruth Culham's 6+1 Writing initiatives, RTI support services, teacher professional development, differentiated math instruction and Data Team collaboration were continued across all grade levels to aide and direct the implementation of our goals.

Mathematics Building and grade level Data Teams use current and ongoing student achievement data to differentiate student instruction, create leveled math groups and provide at-risk students with instructional support from our math tutor, special education team and our building Principal. Student data is also gathered from frequent in class progress monitoring and standard based beginning, middle and end of the year math assessments. All data is used to drive student instruction. Before and after school math camps are offered to provide students additional mathematical support services. 96% of our third through sixth grade students have earned a proficiency score on the Mathematics portion of the Michigan Educational Assessment Program and 65% of those students have earned an advanced proficiency score and 31% of our 2010-2011 exiting sixth grade students qualified for advanced mathematical opportunities in the Junior High. Mathematics will remain an area of focus for the next school year.

Writing Collins Elementary scored 20 points higher than the State average and 10 points higher than the district average on the Writing portion of the Michigan Educational Assessment Program. For the sixth straight year we continue to utilize our building wide writing plan and the Writer's Workshop model. Ruth Culham's 6+1 Writing Strategies are imbedded into our Writer's Workshop model across all grade levels. All students are assessed quarterly and instruction is guided based on the assessment results. Student writing folders are utilized in grades second through sixth. Common terminology and instructional practices are used grade level to grade level.

Reading Guiding reading instruction is the essence of the Collins Elementary reading program. Through the use of differentiated instruction students are instructed at their individual reading level. Students are expected to be at or above grade level by the end of second grade. At the end of the 2010-2011 school year 96% of our second graders reached this mark. 100% of our sixth grade students were at or above grade level during this same period.

Points of Pride

- Michigan Blue Ribbon Exemplary School
- 2010-11 Michigan Emerald Green School Award
- 2009-10 Michigan Green School Award
- 100% of our sixth grade students are reading at or above grade level
- 96% school wide proficiency on the Mathematics portion of the Michigan Educational Assessment Program
- 92% school wide proficiency on the Reading portion of the Michigan Educational Assessment Program.
- A wide variety of after school activities and clubs
- Collins has an extremely active and supportive parent group that work to improve student achievement
- A school wide "Respect, One Word, One Rule" character building program
- Collins has No bullies!

Student Enrollment - 401

Students attend Bruce Collins Elementary School based on the attendance areas serviced by our school community. A number of Utica students in other attendance areas enroll in our school based on the district's open enrollment process and non-resident students may attend through the Schools of Choice program.

Specialized Programs

Utica Center for Math, Science and Technology

The Utica Center for Mathematics, Science and Technology is designed to bring advanced students with special talents and interests together with leading-edge technology. The Center utilizes an advanced curriculum for grades 9-12 which serves to inspire, challenge, and prepare students to pursue careers in mathematics and science. The Center follows the Utica tradition of providing the finest instruction and innovation. Students are selected based on their academic record and performance on tests of aptitude and achievement.

Utica Academy for International Studies

This is a four-year high school academy designed to prepare students for completion of the International Baccalaureate (IB) Diploma Program. All students are expected to take part in artistic activities (*creativity*); sports or physical activity (*action*); and community or social service projects (*service*). This unique curriculum and the personal growth it requires of its students will provide them a mobility and adaptability that prepare students to successfully lead in the global workforce of the 21st century.

Utica Center for Science and Industry

The Center for Science and Industry is a half day shared time program that provides 9th through 12th grade students with a variety of cutting-edge Career and Technology Education taught in an integrated manner. Along with core math and English classes, students select from electives which will support one of three career strands: 1) Engineering and Technology, 2) Mechatronics, or 3) Multi-Media Technology. The CSI is project based and provides students with a wide array of experiences with professionals from business and industrial partners.

Project CLIME (Critical Language Initiative in Mandarin Education)

Project CLIME is focused on developing a strategic initiative to promote a K-12 foreign language program within Utica Community Schools. The goal will be accomplished by establishing a grades K-6 partial immersion Mandarin program at Oakbrook Elementary School feeding into a 7-12 secondary target language program housed at Heritage Junior High School, Stevenson High School and the Utica Academy for International Studies.

Core Curriculum

All the schools in Utica Community Schools offer students a comprehensive and rigorous academic program that meets and exceeds all state and federal standards. Our schools continue to follow the Michigan Grade Level Content Expectations (GLCE) and the Michigan High School Content Expectations (HSCE) and are aligning the expectations with the Common Core State Standards. These standards can be accessed on <http://www.macomk12.mi.us/utica/info/>. The district's vision document entitled Indicators of Excellence can be accessed at: <http://www.uticak12.org> under the district information tab, the annual reports link.

District Assessments

Utica Community Schools not only looks at state assessments but we go above and beyond in monitoring the progress of our students. The following assessments are also given at each of the different levels to follow each student's academic progress.

Michigan Literacy Progress Profile (MLPP) is given in grades K-6 to assess students' progress in reading comprehension, phonics and fluency.

Dynamic Indicators of Basic Early Literacy Skills (DIBELS) is used in grades K-6 to monitor a student's reading growth on a more frequent basis. These assessments are quick snapshots of a child's improvement in literacy.

EXPLORE is a preliminary ACT assessment given to all ninth grade students in Utica Community Schools to help students prepare for high school coursework, higher education and ACT success. It assesses students' skills in English, reading, mathematics and science.

Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT)

The PSAT/NMSQT is a standardized test given to all 10th graders in Utica Community Schools. It measures a student's skills in the areas of critical reading, math problem-solving and writing skills. It also gives the student a chance as an 11th grader to take the test and possibly qualify for the National Merit Scholarship program.

Parent/Teacher Conference Attendance

Percentage 98%

We are pleased to provide this annual education report to our school community. The information contained in this report demonstrates our continued efforts to ensure every student achieves in our school. This report, however, only tells a small part of our success story. Every day our staff is continually finding new ways to enhance teaching and learning and engage our students in their education. We invite you to continue to be active participants in your child's education by volunteering in the classrooms, serving on our parent groups, and working closely at home with your students on their assignments.

Bruce Collins Elementary is fortunate to be serviced by a community that cares so deeply about education. Thank you again for your continued support of our students and the Utica Community Schools.

Sincerely,
Bradley Suggs
Principal
