

# Utica Learning Academy

---

June 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010 – 2011 educational progress for Utica Community School's Utica Learning Academy. The AER demonstrates our progress toward implementing our district's vision of student achievement and meets all of the federal and state reporting guidelines for Michigan schools. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the school principal for assistance.

The AER is available for you to review electronically by visiting the following web site [http://www.uticak12.org/schools/sc\\_eisenhower.asp](http://www.uticak12.org/schools/sc_eisenhower.asp) or you may review a copy at your child's school.

For 2010 – 2011, Utica Learning Academy did not make Adequate Yearly Progress (AYP) because we did not reach our target graduation rate. If we do not make AYP for two years in a row, we will be identified for school improvement. The reports below demonstrate our commitment to student achievement and the continuous improvement in our planning efforts.

## **School Improvement Plan**

### Utica Learning Academy's Tier II Indicators:

-  Increase the number of students proficient on MME/ACT Math test
-  Increase the number of students proficient on MME/ACT Reading test
-  Increase the number of students proficient on MME/ACT Writing test

### Utica Learning Academy's Tier III Indicators:

Based upon data from the previous year, Math, Reading and Writing were chosen by the staff as the year's academic focus. Students were placed in courses to assist them in recovering credits to graduate and increase Math, English and Writing proficiency.

Juniors were given ELA and math ACT prep instruction throughout the school year. The focus of the instruction was persuasive writing, Algebra and Geometry.

The counselor worked with all students set academic goals. Each student had an Individual Learning Plan (ILP) developed for them by their caseload teacher and the counselor.

This Alternative Education program has created an environment where positive academic and behavioral interventions have led to student success. Traditionally the goal of alternative education was high school completion. Utica Learning Academy has raised the expectations and now our ultimate goal of preparing and enrolling our students in college is now being realized.

### **Utica Learning Academy Points of Pride**

- Student incentive programs have been put into place to encourage attendance and academic achievement
- Speakers from Baker College and the United States Army and United States Marines met with our students throughout the year
- A total of 83 students graduated from the program in June 2011

### **Student Enrollment**

Students attend Utica Learning Academy based on the attendance areas serviced by our school community. A number of Utica students in other attendance areas enroll in our school based on the district's open enrollment process and nonresident students may attend through the Schools of Choice program.

### **Specialized Programs**

#### Utica Center for Math Science and Technology

The Utica Center for Mathematics, Science and Technology is designed to bring advanced students with special talents and interests together with leading-edge technology. The Center utilizes an advanced curriculum for grades 9-12 which serves to inspire, challenge, and prepare students to pursue careers in mathematics and science. The Center follows the Utica tradition of providing the finest instruction and innovation. Students are selected based on their academic record and performance on tests of aptitude and achievement.

#### Utica Academy for International Studies

This is a four-year high school academy designed to prepare students for completion of the International Baccalaureate (IB) Diploma Program. All students are expected to take part in artistic activities (*creativity*); sports or physical activity (*action*); and community or social service projects (*service*). This unique curriculum and the personal growth it requires of its students will provide them a mobility and adaptability that prepare students to successfully lead in the global workforce of the 21<sup>st</sup> century.

#### Utica Center for Science and Industry

The Center for Science and Industry is a half day shared time program that provides 9<sup>th</sup> through 12th grade students with a variety of cutting-edge Career and Technology Education taught in an integrated manner. Along with core math and English classes, students select from electives which will support one of three career strands: 1) Engineering and Technology, 2) Mechatronics, or 3) Multi-Media Technology. The CSI is project based and provides students with a wide array of experiences with professionals from business and industrial partners. Students who meet basic entrance qualifications can enter the program through a lottery. .

### Project CLIME

Project CLIME (Critical Language Initiative in Mandarin Education) is focused on developing a strategic initiative to promote a K-12 foreign language program within Utica Community Schools. The goal will be accomplished by establishing a grades K-6 partial immersion Mandarin program at Oakbrook Elementary School feeding into a 7-12 secondary target language program housed at Heritage Junior High School, Stevenson High School and the Utica Academy for International Studies.

### **Core Curriculum**

All the schools in Utica Community Schools offer students a comprehensive and rigorous academic program that meets and exceeds all state and federal standards. Our schools continue to follow the Michigan Grade Level Content Expectations (GLCE) and the Michigan High School Content Expectations (HSCE) and are aligning the expectations with the Common Core State Standards. These standards can be accessed on <http://www.macomb.k12.mi.us/utica/info/>. The district's vision document entitled Indicators of Excellence can be accessed at: <http://www.uticak12.org> under the district information tab, the annual reports link.

### **District Assessments**

Utica Community Schools not only looks at state assessments but we go above and beyond in monitoring the progress of our students. The following assessments are also given at each of the different levels to follow each student's academic progress.

**Michigan Literacy Progress Profile (MLPP)** is given in grades K-6 to assess students' progress in reading comprehension, phonics and fluency.

**Dynamic Indicators of Basic Early Literacy Skills (DIBELS)** is used in grades K-6 to monitor a student's reading growth on a more frequent basis. These assessments are quick snapshots of a child's improvement in literacy.

**EXPLORE** is a preliminary ACT assessment given to all ninth grade students in Utica Community Schools to help students prepare for high school coursework, higher education and ACT success.. It assesses students' skills in English, reading, mathematics and science.

### **Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT)**

The PSAT/NMSQT is a standardized test given to all 10<sup>th</sup> graders in Utica Community Schools. It measures a student's skills in the areas of critical reading, math problem-solving and writing skills. It also gives the student a chance as an 11<sup>th</sup> grader to take the test and possibly qualify for the National Merit Scholarship program.

### **Parent/Teacher Conference Representation**

0% - Due to the nature of the program, most students are over the age of 18.

### **High School Dual Enrollment**

0

### **High School College Equivalent Courses Offered**

The number of college equivalent courses offered in 2010 – 2011 was 0.

### **High School Students Enrolled in College Equivalent Courses**

The number and percentage of students enrolled in college equivalent courses in 2010 – 2011

Number 0                      Percentage 0

### **College Credit Potential**

The number and percentage of students receiving a score leading to college credit in 2009 – 2010

Number 0                      Percentage 0

We are pleased to provide this annual education report to our school community. The information that is contained in this report demonstrates our continued efforts to ensure every student achieves in our school. This report, however, only tells a small part of our success story. Every day our staff is continually finding new ways to enhance teaching and learning and engage our students in their education. We invite you to continue to be active participants in your child's education by volunteering in the classrooms, serving on our parent groups, and working closely at home with your students on their assignments.

Our school is fortunate to be serviced by a community that cares so deeply about education. Thank you again for your continued support of our students and the Utica Community Schools.

Sincerely,

Christina Makarov, Supervisor
