

# Davis Bond Updates

## SUMMER 2024

- Upgrade kitchen and serving area.
- Create additional layers of security, including replacement of door hardware and doors as needed.
- Redesign parking lot and replace paving.
- Improve exterior landscaping.

Thanks to the support of the UCS community, Davis Junior High School will undergo a series of improvements funded by the 2023 safety and success bond issue.

The improvements focus on our continued work to enhance safety as well as prepare to welcome current Heritage Junior High School to our school community.

A centerpiece of the work is the improvement of our parking lot. In addition, our "Raider Cafe" is being renovated and enhanced.

The work on our cafeteria is already under way, and I appreciate the flexibility of our staff and students as we look to the future. The remaining work will begin as soon as the school year ends and is scheduled to be completed by our opening in late August.

We appreciate our community for making these improvements possible for our Raiders. For more information and photo updates, visit: [www.uticak12.org/Davisbond](http://www.uticak12.org/Davisbond)

## BOARD OF EDUCATION

Mary K. Thomas, Ph.D, President
