- Update playground equipment

The sounds of elementary voices will ring out once again at Rose Kidd Elementary!

Rose Kidd will welcome the entire DeKeyser Elementary community until the Fall of 2025.

DeKeyser students will make Rose Kidd their temporary home while significant reconstruction takes place at their current site. Rose Kidd is located within the DeKeyser elementary attendance area.

To prepare for the students, Rose Kidd will undergo a series of improvements, including the creation of a secure entryway, the installation of new playground equipment and the creation of a dedicated bus loop.

The improvements are already underway and will continue through the summer in preparation for the first day of the 2024-25 school year on August 27.

Q and A about DeKeyser @ Rose Kidd Elementary

What is the timeline for the improvements?

Construction is already underway and will continue through the summer months. The improvements will be complete by the first day of the 2024-25 school year, August 27.

Why are improvements necessary?

Safety remains a priority for Utica Community Schools. The improvements will ensure the facility meets the current safety standards at UCS, including the creation of a secure entryway. Technology improvements are also planned to provide teachers with tools to support achievement.

How will the transition impact bus routes?

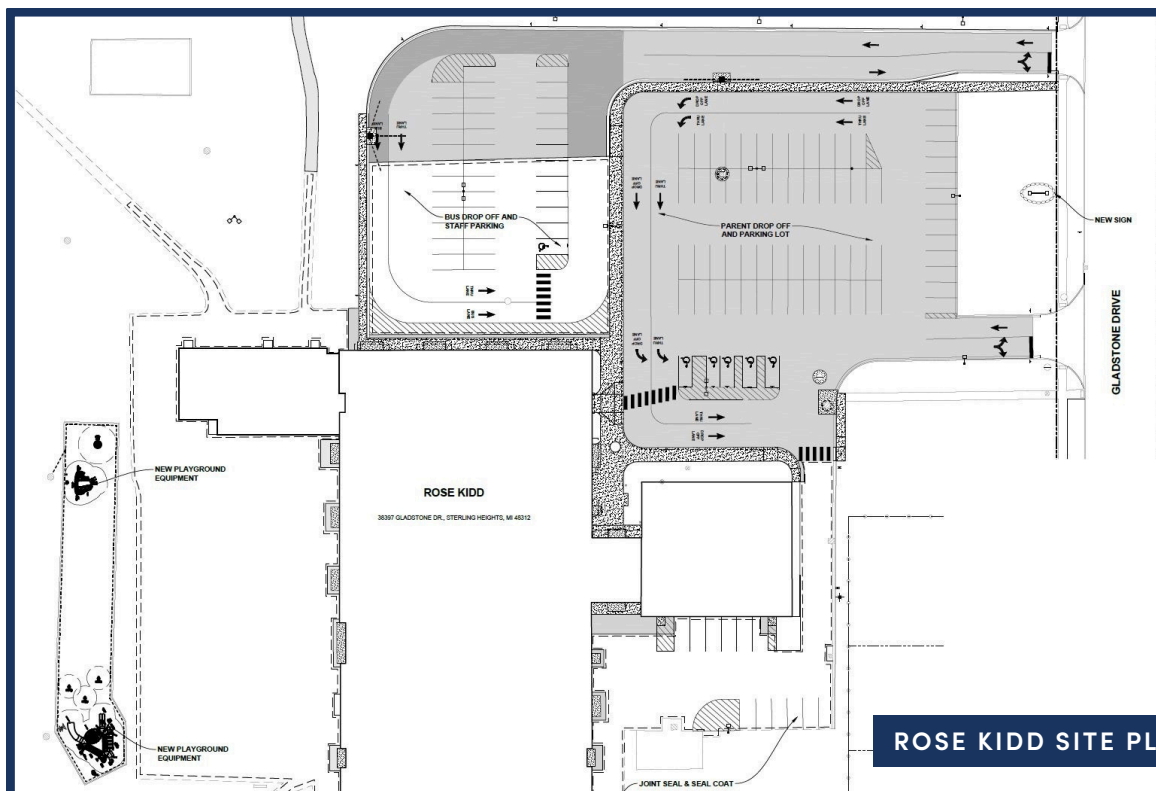

UCS Transportation will create new routes for DeKeyser students that reflect its guidelines, which is bus service being provided for families who live more than 0.5 mile from Rose Kidd Elementary. Those neighborhood students who live within 0.5 mile Rose Kidd Elementary are not be eligible for bus service.

What happens to Rose Kidd after DeKeyser students return to their school in the fall of 2025?

It is anticipated that Rose Kidd Elementary will be utilized for future elementary schools that are scheduled for significant reconstruction or replacement.
