Attendance Area Update

The 2023 bond issue provides an opportunity for UCS to begin a transformation of its school facilities. As reconstruction and replacement plans move forward, a unique opportunity exists to evaluate long-standing issues with attendance areas and create a stronger sense of community by linking school boundaries.

By building, renovating and innovating, we are able to give more students access to facilities that are being redesigned with a vision that encourages growth and achievement.

A Vision for the Future

Utica Community Schools has begun the transformation of elementary buildings. The reconstruction of elementaries, beginning with DeKeyser Elementary this school year, follows our UCS Empowered Strategic Plan and creates a long-range vision to:

- Create additional layers of safety and security
- Support achievement through an environment that fosters engaged learning
- Provide teachers with the flexibility and technology for large and small group instruction
- Offer a modern look that will foster community pride and enhance the desirability and quality of life in neighborhoods

Overview

- Through the implementation of the 2023 bond issue, UCS is addressing long-standing issues within attendance areas that were largely developed 50 years ago.
- Currently, DeKeyser Elementary is under reconstruction. During the next two years, reconstruction will occur at Havel Elementary and Graebner Elementary.
- The following changes are being made under a plan for select schools in the Henry Ford II elementary feeder pattern:
 - Consolidation of the Browning Elementary attendance areas into Havel Elementary and Graebner Elementary.
 - Additional changes that follow the natural boundary of the Clinton River for the Havel Elementary attendance areas. Portions of Oakbrook and DeKeyser Elementary schools – which are separated from the schools by the Clinton River – will be combined with contiguous Havel Elementary communities.
 - A portion of Havel Elementary School where students cross Schoenherr Road will be merged with the neighboring Graebner Elementary community, which is closer in proximity to the neighborhood.
 - A small portion of Graebner Elementary in Macomb Township that is disconnected from its attendance area will be merged with a contiguous Ebeling Elementary neighborhood.

See page two for a detailed map of attendance area updates.

Attendance Area Updates

Below are current and revised attendance areas scheduled for fall of 2027. The attendance revision is made in conjunction with planned reconstruction at Havel Elementary and Graebner Elementary. The reconstruction work is part of a long-term vision for our schools that is focused on safety and designs that support innovation, growth and achievement. The revised attendance areas provide more students access to reconstructed elementary schools and reconnect communities.
