

2023-2024 CRISSMAN
ELEMENTARY
SUGGESTED SCHOOL SUPPLY
LIST

We have compiled a list of basic school supplies that are used at each grade level. When your child begins school, there may be additional supplies for his or her particular teacher. However, this list should give you a good idea of where to start your school shopping. We wanted you to have the list early so you could pick things up when they are on sale.
