

Frequently Asked Questions for School Meals

Q: Are meals available for all students or just free and reduced students?

A: Meals are available for all students, regardless of free, reduced or paid status.

Q: Are meals free for all students?

A: Yes, the USDA has temporarily extended free meals to all children 18 years and younger. Funding for this program has been extended until further notice. Please continue to complete Free and Reduced Applications as well as your Household Income Forms so your meal benefits are in place after the free meal period expires. Apply for Free and Reduced meals at www.lunchapp.com. Household Income Forms are available on your school's website.

Q: Who is eligible to receive meals?

A: Children 18 and younger are eligible for meals. Meals for adults can be purchased for \$2.20 per breakfast and \$3.80 per lunch.

Q: How many meals are available to pick up at one time?

A: Meals for the week – 5 breakfasts and 5 lunches will be available for scheduled student attendance days.

Q: Where is menu information located?

A: Menus are available at www.uticak12.nutrislice.com and through the Nutrislice App. Nutritional information as well as allergy information is available on these sites as well. We have selected kid approved menu favorites for your students.

Q: What is the process for meal pickup?

A: Meal pickup will be a drive through model, including the mobile sites (parents are to remain in their vehicle). Please provide the food service worker with your children's last name and building. Please pop your trunk and we will drop your meals off for you for contactless pick up.

Q: How will my student with allergies be served?

A: Please have the MDE Dietary Needs form filled out and signed by a physician and returned to either your building's main office or to the office of Food & Nutrition Services at foodservice@uticak12.org. We will contact a parent to set up an allergy compliant menu. These meals will be preordered special from the Food Service office and will be available only at one designated location.
