The objective of our STW Program is to connect classroom learning with work-based learning experiences, prepare students for the move from classroom to work site, support supervised on-the-job training, and help students make career decisions.

Our Students will:
- Develop the essential skills and habits required in the workplace.
- Receive a Grade and Credit towards graduation.
- Gain valuable work experience to help build a resume for post-secondary programs and future employment.

WHAT ARE THE REQUIREMENTS?

- GPA-2.0 Minimum.
- Students work 10 hours a week at minimum, 24 maximum per child labor laws.
- Attendance—Excellent attendance at school (this includes tardies and unexcused absences from 9th grade and beyond).
- Students complete and submit time books and get evaluated quarterly by their employers. Students attend monthly meetings with coordinators.
- Enrollment in a CTE Course concurrent with their internship placement (see courses listed below).
- Coordinators visit work sites to ensure a safe and productive training environment and build relationships with employers.
