

Dear Students,

We are pleased to introduce Naviance Student – a mobile-friendly website that you can use to plan for college and a career. Naviance Student is linked with Naviance™, a service that we use in our office to track and analyze data about college and career plans, so it provides up-to-date information that is specific to our school.

Naviance Student allows you to:

- Get involved in the planning and advising process – Build a resume, complete online surveys, and manage timelines and deadlines for making decisions about colleges and careers
- Research colleges – Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past
- Research careers – Research hundreds of careers and career clusters, and take career assessments
- Create future plans – Create goals and to-dos, and complete tasks assigned to you by the school to better prepare yourself for your future college and career goals

Naviance Student also lets us share information with you about upcoming meetings and events, local scholarship opportunities, and other resources for college and career information. You can also use the site to stay in communication with the counseling office.

You can access Naviance directly through the icon located in ClassLink on your school assigned computer,

We hope that you will find this resource helpful. If you have questions about Naviance Student, please contact your school counselor.

Sincerely,

Your UCS Counselors
