Recover Account Sign In Information

Forgot Password? Forgot Username?

Parents, to recover your password or if you have been provided a username and are setting your password for the first time, provide the information below. Students need to contact the school directly.

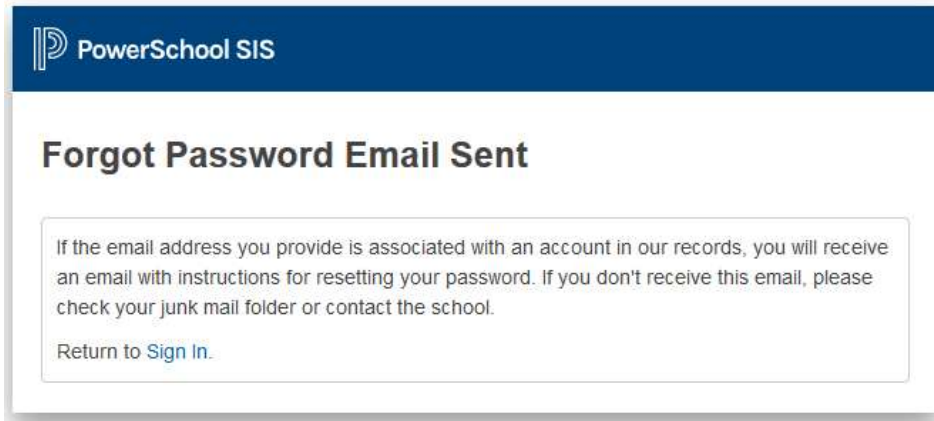

Parent Username

Parent Email Address

Enter

If you are experiencing sign in issues, please contact your school for assistance. For security reasons, PowerSchool is unable to assist with sign in, password, or other accessibility-related issues.

3. You will receive a message that the Forgot Password Email has been sent.

4. Look for an email from DoNotReply@uticak12.org with the Subject title: PowerSchool Password Reset Request. Click the link inside this email. A new tab will open in your browser. Please enter the Parent Username and enter a password that is a minimum of 8 characters long and not any of your last 6 PowerSchool Parent Portal passwords.

The screenshot shows the "Recover Password" form in the PowerSchool SIS system. The header is a dark blue bar with the PowerSchool SIS logo and name. Below the header, the title "Recover Password" is displayed in a bold, dark font. The form contains the following elements:

- A text prompt: "Enter your username and password."
- A sub-prompt: "New password must:"
- A list of requirements: "•Be at least 8 characters long"
- Three input fields: "Username", "New Password", and "Confirm New Password".
- A blue "Enter" button.
- A footer message: "Once your password has been updated you will be signed in. Please remember your new password."
