Attendance

Attendance

Regular attendance and active participation in class are integral parts of a student's total education. Students can achieve optimal educational benefits only through regular class attendance and a serious commitment to an educational program. Attendance rules have been developed to reduce/prevent chronic absenteeism. The U.S. Department of Education Civil Rights Data Collection defines chronic absenteeism as missing more than 10% of school days in a year.

Avoid Credit Review

A student should avoid being placed on Credit Review for accumulating more than 10 absences in any class. If placed on Credit Review, students should take the necessary steps to be removed from Credit Review. Students who do not take the steps to be removed from Credit Review will receive a final grade of an F in the class.

Report an Absence

When a student is going to be absent, parents/guardians should report the absence before the school day begins. Calls to the attendance line can be made 24 hours a day, seven days a week and will be received by an answering machine during non-school hours.

The following reasons for an absence will be accepted as an excused absence:

Student illness, hospitalization, doctor-ordered bed rest, mandatory court appearance that has been pre-arranged, death in the immediate family, family vacation that has been pre-arranged and approved, medical appointments and administrative permission. All other absences will be unexcused

Excessive Absences

The school will notify the parent/guardian about excessive absences in the following ways:

When a student has accumulated between 7 and 10 absences in any one class per semester, the student's assistant/associate principal will send a warning letter through E-Mail to the parent and student (US Mail if no email on file).

When a student has accumulated 11 absences* in any one class over the course of a semester, a letter will be sent via email (or US mail if an email address is not on file) stating the student has been placed on Credit Review and must follow the appeal process in order to earn credit in that class.

The following absences will be exempt from this absence total:

School-approved absences (field trip, student government activity, etc.), death/funeral of an immediate family member (mother, father, brother or sister), court appearance when documentation is submitted, suspensions, and absences where a parent/guardian has submitted medical documentation supporting the absence within five (5) school days of the absence. Chronic medical conditions can be reflected in a doctor's note indicating the student has an ongoing medical condition that can cause them to be absent from school.

Credit Review

Definition of Credit Review Credit Review is a process designed to decrease chronic absenteeism in a way that is restorative in nature. Students who do not take advantage of the restorative nature of credit review will receive an F in any class for which they were placed on Credit Review.

Tardies count toward Credit Review

For Credit Review, every three tardies will count as one unexcused absence.

How do you get placed on Credit Review?

All students are limited to ten (10) parent-excused, unexcused or truant absences per class period each semester. Upon the eleventh absence in any class period, the student loses credit in that class. The student will be required to continue to attend and pass the class to be eligible for the appeal process. In order to earn credit, the student must follow the proper appeal procedure.

Students should take action to restore credit as soon as they are placed on Credit Review

Students who have exceeded 10 days of absences can earn forgiveness hours (absence reduction) by participating in eligible programs. Availability of these programs may vary by the school the student attends. One hour of time is equal to one absence reduction in one class.

Examples of programs include:

- Attend Homework Lunch for two days (whole lunch) for one-hour absence reduction.
- Attend afterschool tutoring at school with a teacher for one-hour absence reduction.
- Attend Saturday School for a three-hour absence reduction. Students who have been assigned Saturday School for other reasons, cannot use attendance on those days towards absence reduction (no "double dipping").

Students will be required to provide verifiable documentation with the appeal form they submit. The basic idea is one hour of time allows for one hour of absence reductions. Each school will publish their absence reduction options at the beginning of the year in the school newsletter and/or school website. Other options for absence reduction may be available with prior administrator approval. Students cannot bank absence forgiveness in anticipation of future absences.

Restore Credit

To restore credit, students must submit an appeal demonstrating that they either did not have more than 10 absences or that they have taken action to restore the missed class time.

A student who is denied credit for a class due to excessive absences may appeal that action in accordance with the following:

- The student must have a passing grade in the class that they were denied credit.
- The student must submit a completed appeal form to their assistant/associate principal
- The student's assistant/associate principal will review each submitted appeal.

The assistant/associate principal will notify the student and parent of the decision in an email (or letter when no email is listed in PowerSchool). The decision of the assistant/ associate principal is final, there is no further appeal

A STUDENT WHO DOES NOT APPEAL THE LOSS OF CREDIT/OR FAILS TO EARN THE CREDIT BACK WILL HAVE EARNED AN "F" FOR THE FINAL SEMESTER GRADE IN THAT CLASS. An "F" will replace the "NC" in the permanent record.
