## Parent Access for Schoology

Parents/Guardians,

Did you know that you can have a parent account for your child's Schoology classes? You can access each of their classes, as well as the counseling department's Schoology page. The counseling page has many resources ranging from support groups and therapy to community resources for help with everyday problems. If you would like access to your child's Schoology account (this is different than PowerSchool), you can contact the main office at 586-797-2900 to request your child's 12-digit-code and instructions.

### PARENT ACCESS DIRECTIONS FOR SCHOOLOGY

1. Go to [www.schoology.com](http://www.schoology.com).
2. Click **Sign Up** at the top of the page and choose **Parent**.
3. Enter your Parent Access Code. This is the 12-digit code in **xxxx-xxxx-xxxx** format
4. To receive the 12-digit code, please contact the Main Office
5. Fill out the form with your information.
6. Click **Register** to complete.

When you use a Parent Access Code to create an account, you are automatically associated to your child. You can add additional children to your account using the Add Child button.

If your Parent Access Code does not allow you to register, or if the code does not have 12 digits, please contact [techsupport@uticak12.org](mailto:techsupport@uticak12.org).

## Build Your Future Booklet

The vision of Utica Community Schools is to empower our students to transform their lives and their futures. We do this by providing students with the quality options that are designed around their interests and career goals. Central to these options is our Career and Technical Education (CTE) programs.

Your 8<sup>th</sup> – 12<sup>th</sup> grade student will shortly come home with the book Build Your Future, The Complete Guide to A Skilled Trades Career. This book was provided through a State of Michigan legislative funding appropriation and with the help of the Skilled to Build Michigan Foundation.

This guidebook examines the 10 biggest myths surrounding the trades as well as outlines earning potential and provides information on what careers in these trades might look like. Please take the time to sit down with your student and review this guidebook, talk about the opportunity in skilled trades, and the value of CTE.

Given the wide range of our programs, we encourage students to consider coursework that will make them stand out on their college or job applications. CTE is one of those key areas as it benefits every career field.

If you have questions about CTE courses available through Utica Community Schools, please reach out to your child's guidance

## Caught Being Kind

This year the counseling office started a fun program called "Caught Bring Kind"! Teachers and staff are recognizing moments when students are going out of their way to be kind to someone and performing an act of kindness. Each month we are going around to classrooms and rewarding the students who were "Caught Being Kind". Kindness is contagious and we want the students to know we see appreciate that!

The following students were rewarded recently: Cassidy Smiley, Zach McBride, Jhonai Blushi, Jaden Ervin, Alex Shami, Banah Alsafar, Kendall Yousef, Salem Elrod, Tommy Macario, Michael Raleigh, James Bishop, Shayna Alexander, Jacob Ritchie, Dylan Urban, Drake McKinnis, Taylor Shene, Alex Romero, Danny Chang, Tanner Gonzalez, Hunter Baldridge, Luiz Juarez, Johani Blushi, Anthony Camilleri and Olivia Grenne.

Great Job Everyone!

## MI Special Olympics

Students from UCS enjoyed participating in events at the Macomb County Special Olympics on 5/10/23. Team Eppler did an amazing job, bringing home many ribbons, including a lot of 1st place ribbons. It was an amazing day and enjoyed by all.

*A special thank you goes out to the Eppler 7th and 8th grade cheer teams and the Utica Freshmen cheer team for giving our Team an amazingly warm send off as they left for the games.*

## Lunch Deliveries

*Food Deliveries:* Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).

Thank you for your understanding and we appreciate your support.

## Dress Code Rules - REMINDER

Please address the following dress code items with your child:

- Hoods/hats are not to be worn in the building.
- Clothing must not show bare mid-drifts, shoulders, cut too low or any derogatory or drug/alcohol messages.

## Student Drop-off after 8:00am

**Parents,** please be aware that there is often no need to come into the building when you are dropping off your child at school if they are late or after an appointment. The only reasons we will require you to come into the building are if you are picking up your child, for which you will need ID, or if you are dropping off anything for your child, which we ask that you label for their pick-up. Other than that, please feel free to stay in your warm and dry vehicle (on cold and rainy days) and enjoy whatever you may be listening to from your playlist! Thank you!!

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

## CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.

## Youth and Family Programs

Visit [www.careofsem.com](http://www.careofsem.com) for locations, times, and dates for all programs.

### Peaceful Alternatives to Tough Situations (PATTS):

An educational series to help youth deal with their emotions in appropriate ways by understanding their own resources and developing their own plan of action with skills that really work!

\* Parent participation required

### Teen Intervene:

Power of Drugs and Alcohol is a series designed to provide education, support and guidance to teens that have experienced mild to moderate use of alcohol or other drugs. This program also offers parents and guardians the opportunity to learn healthy communication skills and the importance of establishing family rules regarding alcohol or other drug use.

\* Parent participation required

### Parent Education Classes:

A series for parents to discuss ways to understand behavior, build self-esteem, increase cooperation and provide discipline that teaches personal responsibility. Groups include early childhood (ages 0-5), school age (ages 6-12) and teens (ages 13-18). A book for the appropriate age group is required.

## INDEPTH:

INDEPTH is the American Lung Association's Intervention for Nicotine Dependence: Education, Prevention, Tobacco and Health program. A forward-thinking alternative to suspension or citation for tobacco use, including e-cigarettes, INDEPTH addresses the teen vaping epidemic in a more supportive way. This interactive program teaches students about nicotine dependence, establishing healthy alternatives and making the change to be free of all tobacco products, including e-cigarettes. INDEPTH is led by a trained, CARE facilitator either one-on-one or in a group setting.

## Camp CARE:

This program is offered for children/families who have been impacted by alcohol and other drugs by a loved one. Through small group discussions, children, youth and teens learn: You are not alone, identify and process feelings, how to be safe, celebrate themselves, how to handle peer pressure, conflict resolution, making healthy choices, and life skill building.

## Teens Talking Truth:

T<sup>3</sup> participates in social events, community service opportunities, and workshops that address the challenges of today's youth, with a primary focus on alcohol, tobacco and other drug prevention and a healthy teen lifestyle. T<sup>3</sup> also works to get rid of the myth that all teens require drugs or alcohol to have fun!

# MONDAY MOMENTS

NEW DAY · NEW WEEK · NEW GOAL

**Monthly Theme: Get Kind**  
**Week 29: Give a Compliment**

“Compliments are like verbal sunshine.”  
~ Robert Orben, American Comic

A genuine COMPLIMENT is a gift. COMPLIMENTS prompt us to take a moment and reflect on what is shared about us. Giving a COMPLIMENT requires us to be intentional with our experience. It means putting ourselves aside for a moment and truly noticing something wonderful about someone else. Sometimes, GIVING COMPLIMENTS means that we are able to see something in someone else that they may not notice about themselves. What is it like to GIVE A COMPLIMENT?

Pocketful of COMPLIMENTS - Provide each family member with a small envelope and have them write their name on the outside of it. Then have family members write two COMPLIMENTS to themselves and two COMPLIMENTS to each family member and place them in the appropriate envelopes. Have everyone read their COMPLIMENTS from their envelopes. A COMPLIMENT helps us to understand what others see and what we may not.

## How-To Guide for School Meals SECONDARY

### Breakfast

Available to all students every day for \$1.75. Breakfast starts 10-15 minutes before school begins and is served in the cafeteria. Menus are posted on monitors in the cafeteria as well as online at [Uticak12.Nutrislice.com](https://uticak12.nutrislice.com) or on the Nutrislice app.

### Lunch

Lunch will take place in the cafeteria and there are numerous items to choose from. Lunch is \$2.90 for junior highs and \$2.95 for high schools. Menus are posted on monitors in the cafeteria and online at [Uticak12.Nutrislice.com](https://uticak12.nutrislice.com) or the Nutrislice app.

### Payment

For students to access their account they will scan their student ID at the register. If they have forgotten their ID, they can give the cashier their last name. Free and reduced status are confidential, so students will not know.

You can send in cash or check for meals with your student to deposit at the register, or you can pay via credit card at [Utica.FamilyPortal.Cloud](https://Utica.FamilyPortal.Cloud) - here you can also check your child's account balance, spending habits and apply for free/reduced meals.

#### How-To Guide for School Meals SECONDARY (continued)

### Allergies

Students with allergies must fill out an allergy form and return it to the office and the department of Food Service. Substitutions cannot be accommodated without this form. Access the form at [Uticak12.org/foodservice](https://Uticak12.org/foodservice) under the 'Allergen Form' section.

### Other Important Info

To apply for free/reduced meals, visit [Utica.FamilyPortal.Cloud](https://Utica.FamilyPortal.Cloud). Until a student is approved, you will be responsible for paying for meals. UCS will cover the cost this year for all reduced priced meals, so they will be free once approved!

For a meal to be considered free students must take 3 out of 5 components with 1 of them being a fruit or vegetable. A la carte items, such as second entrees, chips, and bottled beverages, are not included in the meal and must be paid for by the student.

Students may charge up to 5 meals that must then be repaid. You can find the UCS charging policy at [Uticak12.org/foodservice](https://Uticak12.org/foodservice).

Jeannette Junior High School and Utica Alternative Learning Center are considered CEP or Community Eligibility Provision schools. This means the entire school qualified for no cost meals, but should still complete the Household Income Report (HIR) at [Utica.FamilyPortal.Cloud](https://Utica.FamilyPortal.Cloud) to help the school qualify for federal funding and for parents to qualify for other benefits.

## In Case You Missed It

***We regret to inform you that three of our finest staff members have decided to retire at the end of this semester. And here is the rest of the story.....***

### **A short note from Mrs. Cunningham**

Dear Parents and Students:

I am writing this letter with some happiness and some sadness. It is time for me to say goodbye to Eppler Junior High. At the end of the month, I will be retiring from my position in Utica Community Schools. Throughout my career, I have been at multiple buildings: Shelby Junior High, Davis Junior High, Joan C Seargeant Instructional Resource Center, Henry Ford II High School and finally Eppler Junior High. During my time here, I have said over and over again that there is no other building, staff, students, parents and community that compare. This truly is a one-of-a-kind school family and I will miss my daily interaction with everybody, but it is time for me to start the next chapter in my life.

I also want to take this opportunity to wish each and every one of you the happiest of holidays. May you enjoy time with family and friends, and take some time to recharge.

Mrs. Cunningham

### **A short note from Mrs. Ostrom**

Dear Parents and Students,

I have spent the last 18 ½ years as a counselor at Eppler Junior High, and I consider the people here to be my family. My favorite thing about Eppler is the small hometown feel. For many of you, I have worked with multiple children in your family, and I have gotten to know some of your families very well. I want to share with you that I will be retiring at the end of December to start a new endeavor. There will be a new counselor assigned to students with last names A-K. This was a difficult decision, because I love Eppler so much. It has been my pleasure to work with you over the years, and I have really enjoyed getting to know your children. They are in good hands at Eppler. This staff truly cares about your children. I hope you all have a wonderful holiday break!

Sincerely,

Mrs. Ostrom

### **A short note from Mr. Bernabei**

To the Eppler Junior High Family,

After 30 years with the UCS, I have decided to retire from public teaching. It is bittersweet because I absolutely love teaching and was blessed to work with many amazing students and staff. As a Social Studies teacher, my goal was never to teach History, but to try to develop History makers. I hope that I was able to do that with some of the many awesome students that came thru my classroom doors.

I know teachers typically leave at the end of the school year, but another opportunity has presented itself and it works best for me and my family. I pray that all of you have a blessed, peaceful and safe Christmas and second semester. Remember to always be humble, grateful and to treat others how you would want to be treated.

Sincerely,

Mr. Bernabei

**Congrats to our March Chieftains of the Month!**

**Great Job Everyone!**

## PSAT 8/9 Score Information

To view their scores, students will need to create a College Board account to get their full PSAT 8/9 score report. (Some AP students have already created a College Board account in their AP classes.)

### 1. Before you get started have your:

- \* Email address
- \* Expected high school graduation date (month and year)
- \* School year

***\*It is very important that students remember the email address they use, as well as their username and password for the College Board Account they create! So, write it down someplace safe.***

2. Go to collegeboard.org

3. Click on "Sign Up"

4. Select "I am a Student"

5. Create a username and password

- \* Your username should have 6-15 characters and be made up of letters and numbers
- \* Your password must be 7-15 characters with at least one number and one letter
- \* Choose a security question and provide an answer you can easily remember.

Once students have created their College Board account, they can set up an account with Khan Academy. When you link these two accounts, students will get free, personalized SAT practice. Khan Academy resources can also be used to prepare for the PSAT 10/SAT/AP.

How can I use the score report?

The student score report is designed to both clearly summarize the student's current achievement levels and to help guide and encourage next steps for academic progress. As you look through the report with your student, there is a substantial amount of information you will want to review.

On Track for College Readiness?

Grade level benchmarks allow students and educators to understand how they are progressing toward college readiness.

Evaluate Relative Strengths and Weaknesses:

Test scores, cross-test scores, and sub-scores provide an opportunity to evaluate a student's strengths and weaknesses and highlight specific opportunities to strengthen the student's college readiness skills.

Define Next Steps-Actions to Support Skills:

The "Your Scores: Next Steps" page identifies the specific skills that the student should address.

Understanding Results

Test scores, cross-test scores, and sub-scores in Evidence-Based Reading, Writing, and Math will give the student a better understand of areas they need to work on. The scores will also show if the student met or exceeds the benchmark and if they are on track for college readiness.

Percentiles-compare the student's scores with those of all 9th graders in the nation. The score report is designed to help students see how they performed by showing the skill areas covered and whether the answer was correct, incorrect, or omitted.

If you have any questions, please email your student's counselor.

## DSO Middle School Honor Band

Eppler 8th grade student and alto saxophone player, Nathan Siegert, was selected as a member of the DSO Middle School Honor Band. Nathan is the only UCS student to be awarded this honor this school year. This distinction allowed Nathan to play onstage with the rest of the Honor Band at the Detroit Orchestra Symphony Hall on March 6, 2023. Nathan said, "It was a great change of scenery, and it's always nice to be with others who love music and have the same level of accomplishment." When asked about receiving such an accolade and the experience, Nathan replied, "It was amazing to be on the same stage as some of the best musicians in the country, some of whom we got to meet and play with!" Congratulations, Nathan, and thank you for representing Eppler so well!!!

-Henry Ford-

Hello!

My name is Catharine Rose,  
and I am the new Media Center Office Clerk at Eppler.

## About UCS Loaner Computer Chargers...

Our loaner computer chargers are not supposed to leave the school building.

They are available as a courtesy loan to those students who forgot their own computer chargers at home.

### Parents and Students:

This photo shows what a loaner computer charger looks like just in case you see one come home with your student. They are labeled with bright yellow tape and identified with different names of Sports teams.

If you see one of these 14 chargers come home with your student, please remind your student to turn it back in to the Media Center Office ASAP.

Every loaned charger is tracked with the student's name, the Sports name labeled on their charger, date/time out, and date/time in.

A new policy will be enforced for loaned computer chargers. This policy has been implemented due to the growing number of students that are not returning their loaned chargers for several days at a time or are habitual borrowers that have actually permanently lost their charger and are relying on these loaner chargers to get them through the remainder of the school year. On average, between 10 to 20 chargers are loaned out daily. Unreturned chargers by a few students have become an inconvenience for those students that need one on a temporary basis for an hour or two.

### New Policy has been implemented:

If a student keeps a loaned charger longer than 2 school days, and it happens more than twice before the end of this school year, at the time of the **"third charger loan"**, the student will automatically be issued a permanent replacement charger at the current assessed tech fee cost of \$39.00. This fee will show up on your student's account.

If a student becomes a habitual borrower, meaning a loaner charger is borrowed more than 2 times within one month, at the time of the **"third charger loan"**, the student will automatically be issued a permanent replacement charger at the current assessed tech fee cost of \$39.00. This fee will show up on your student's account.

## A Note from Your Eppler Media Center Office Clerk

### About UCS Shared Loaner Laptops...

These Shared Loaner computers are not supposed to leave the school building. They are labeled **In-School Use Only**. They're available as a courtesy loan to those students who forgot their computers at home or have turned in a broken computer that needs repair, requiring temporary student computer access in school while they wait for the Media Center Clerk to deploy a new laptop. In general, replacement computers are deployed on the same school day.

#### Parents and Students:

The photo below is an example of what a Shared Loaner computer looks like just in case you see it come home with your student. Loaners are a bit smaller in overall size (8" x 12") than their district-deployed computers (9" x 13").

Computer Labels explained...

36 = Eppler Jr High School ID Number

SHARED = **For In-School Use Only**

SL04 = Student Laptop Number 04

The photos below are what district-deployed computers look like, in comparison to the above Shared Loaner computer.

**Please discourage your students from removing any of the UCS applied computer identification labels!**

**Also, please discourage your students from applying their own personal stickers to their computers!**

#### New "Sticker Removal" Policy has been Implemented:

When our students' UCS computers are outsourced for repairs, we are seeing additional charges for sticker removal. All sticker removal fees will be added on as an additional tech fee on your student's account. As a result, the Media Center Office Clerk will be encouraging students to remove all personal stickers on their computers as they circulate through the Media Center Office for repairs, etc. Please note that if the personal stickers are not removed and our outsourced repair facility charges UCS for sticker removal, you will see this tech fee added on to your student's account.

## Macomb Diversity Summit

Eppler students participated at the Macomb Student Diversity Summit on February 14, 2023.

This Macomb Student Diversity Summit was first convened eight years ago as a way to engage in conversations about diversity with students across the entire county. The event brought together students in grades 8 - 11 to discuss this important topic. The summit continues to have multiple sessions that touch on the challenges, opportunities, and celebrations experienced in diverse school populations and neighborhoods. Each year the student engagement at this event is inspiring and the personal growth from their shared perspectives brings a sense of understanding that is unmatched. The planning committee for this event is continually encouraged by the willingness of Macomb County students to accept people where they are and open their hearts to everyone in our communities.

## Eppler Wings

**Eppler gives you wings, where will you go?** Numerous NJHS & AVID students created a wing mural out of college pennants. The pennants that have been used as the feathers of the wings represent the opportunities available to Eppler students who get the most out of their three years here. Serious students are taking a big step towards "soaring" to higher levels of achievement and success.

We invite students to visit the media center and stand between the college pennant wings for a photo. Please make sure students ask a staff member before using their phones for a picture.

Picture below: 9<sup>th</sup> graders, Anya Alband and Ashly Ritter. Anya and Ashly are both NJHS students as well as AVID students and volunteered hours after school to make this vision come to life
