We are pleased to announce the “complete makeover” of Graebner Elementary!

During the 2025-26 school year, our school will be the scene of a complete reconstruction as Utica Community Schools remakes our school for the current and next generations of Dolphins.

The reconstruction will result in Graebner Elementary receiving a new design that represents the UCS vision of how schools can support growth and achievement.

During the year-long reconstruction project, our school community will have a temporary home at Rose Kidd Elementary, located at 38397 Gladstone Dr. near 17 Mile and Dodge Park in Sterling Heights.

This sheet provides an overview of the improvements. For more information, please visit: www.uticak12.org/gruebnerbond.

These are exciting times for our dolphins!

What are the future plans for Graebner Elementary?

Graebner Elementary will undergo a complete reconstruction during the 2025–26 school year. During that time, we will be housed at Rose Kidd Elementary, 38397 Gladstone Dr. in Sterling Heights.

How will the reconstruction benefit Graebner?

The reconstruction will support the district's facility vision to:

- Create additional layers of safety and security
- Support achievement through an environment that fosters engaged learning
- Provide teachers with the flexibility and technology for large and small group instruction
- Offer a modern look that will foster community pride and enhance the desirability and quality of life in neighborhoods

What improvements have been made to Rose Kidd Elementary to house our students?

Rose Kidd is currently housing students and staff from DeKeyser Elementary while their school undergoes a reconstruction this school year. Recent improvements made to Rose Kidd include: secure entryway; replacement of door hardware; replacement of ceiling, lights and floors; sidewalk and landscape improvements; construction of dedicated bus loop; and updated playground equipment.

How will the relocation impact transportation?

Transportation will be provided for all Graebner students. Routes will be made available in late August.
