Malow Sounding Board

From Our Sounding Board.

Hello everyone, Here is the [sign-up genius](#) for the annual staff appreciation luncheon for all the wonderful staff at Malow. The lunch is provided for the staff from the Malow Sounding Board and this year it will be from DeFrancesco's. The staff love the food and love the raffle baskets that we put together each year for them. That being said we need your help to donate items for the baskets or you can sign up to donate a themed basket or donate money and we will do the shopping for you. Below you will find the link to the sign up genius. If you have any questions, please email me at reneesingeredgar@gmail.com.

Eisenhower Girls Soccer Fundraiser

Dear Soccer Families and The Malow Community

Each year our Eisenhower Girls soccer teams select a local charity and dedicates their games to them. This year our charity is Fueling Kids' Future. The Community Foundations of Greater Rochester is a local charity that provides six meals in a small cinch-sack to children in the Utica Community School District who may not have consistent access to food on the weekends during the school year.

We are holding our charity games on April 16th at Swinehart Field when we play against Henry Ford II. The event will begin at the start of the JV game at 4:30 p.m. and continue through the Varsity game at 6:00 p.m.

Some of the great things we will be doing are a **Basket Raffle, Sweets Table, and a 50/50 drawing.**

During this special game, the normal admission price of \$6 will be a donation to **Fueling Kids' Futures**. (QR code will be available at the gate and can also be used to purchase basket raffle tickets and sweets. Cash is also accepted for entry, raffles, and sweets. Cash only for 50/50.)

Your donations at this event can help change a child's life in OUR community who faces hunger. Every \$160.00 provides 240 meals to a child during the school year. Please consider getting family and friends together to help make this event a success.

We've all heard it said that **"Charity begins at home."** Here is our opportunity to have fun watching our girls play soccer and know you are helping a child in Utica Community Schools.

Let's Go Ike!!

Students can help Eisenhower girls' soccer teams raise money for the **U.C.S. charity Fueling Kids' Futures** on Thursday, April 17th sweet treats will be available for purchase during lunch. Treats will be \$1 each!

Dear Parents/Guardians of Malow Jr. High School Seventh, Eighth and Ninth Graders,

All seventh graders will take the M-STEP (Michigan Student Test of Educational Progress) assessment in the areas of English and mathematics. The M-STEP measures your student's growth and progress on the Michigan Academic Standards. Those standards are available at the following web site: www.Michigan.gov/academicstandards.

Seventh grade students will be assessed on April 10, 2025, and April 15, 2025. The M-STEP will provide an accurate view of your child's achievement levels and learning needs to help us identify areas where we can improve instruction.

All eighth and ninth grade students enrolled in Michigan public schools will take the Preliminary Scholastic Aptitude Test (PSAT) 8/9 state assessment this spring. The PSAT 8/9 is the first exam in the SAT suite of assessments and will help families and the school staff see where students are in their overall achievement.

The PSAT 8/9 is comprised of two tests: reading and writing, and mathematics. It is important that our students do their best as the assessment will provide families with important information on academic progress. Eighth and ninth grade students will be assessed on April 9, 2025.

In addition to the PSAT 8/9, eighth grade students will take the science and social studies M-STEP assessment. Eighth grade students will be assessed on April 10, 2025.

Students may carry ECDs during the school day, but they cannot be displayed or used without permission from a teacher or administrator for educational purposes. **Personal use of the device shall be limited to the time before and after the school day and only when students are outside the building. ECDs shall not be used during instructional time, lunch, passing time between classes or on any school bus without permission of a school official.**

During tests and assessments, cell phones/ECDs must be placed in lockers, backpacks, or another location away from students and their desks. Please see the UCS Student Handbook for ECD protocols during state testing. If a student needs to place an emergency phone call during the day, they should request to go to the main office to use an office phone. If a parent needs to give a message to or speak with their child during the school day, they should call the main office. If a student does not comply with the request to provide the staff member their cell phone for a violation, they could face consequences for insubordination/disrespect. The use of an ECD's picture-taking or internet connection capability is not permitted without permission of a teacher or administrator. Utica Community Schools will not be responsible for the theft, loss or damage of any ECD. Appropriate disciplinary action will be taken against students who violate the policy regulating ECDs.

If a student is found to be in violation of the above expectations, the following plan will be implemented:

First Violation – Warning #1

Cell phone/ECD will be taken to the office with first and last name of student.

Student picks up phone at the end of day.

Second Violation – Warning #2

Cell phone/ECD will be taken to the office with first and last name of student.

Malow office will contact the parent.

Student picks up phone at the end of day.

Third + Violation

Cell phone/ECD will be taken to the office with first and last name of student.

Malow office will contact the parent.

Student picks up phone at the end of the day.

Disciplinary Action per Administration.

Do You Drive Your Student to School?

Safety in our parking lot is our number one priority. We truly appreciate the patience and courtesy extended between drivers. Please continue to drive slowly and be aware of your surroundings. Our students do a great job complying with our rules in the parking lot, but we still need to be extremely cautious.

If it is necessary to drive your child to school, please use the outer lane for quick drop off of students while reserving the inner lane for thru traffic. Have your student exit the vehicle as **quickly** as possible. **Please do not wait until you are the first car in line before dropping your student off, and do not wait until your child is in the building before driving away.** The idea is to reduce the long line of cars coming into the parking lot in the morning by allowing several cars to drop off students at one time. If you or your student insists on waiting to get to the front of the line to exit the car, the purpose is defeated, and traffic flow will be impeded.

Once buses begin exiting after school, cars must wait until all buses are in the driveway before exiting the parking lot or pick-up area.

Technology Responsibility

We are asking for everyone to review the [5160 Rules and Regulations Information and Communication](#). Please make sure that when laptops are transported back and forth to school that they are secured in a backpack. Please also remember, as stated in the linked document above, parents/students will be held financially responsible for damage to or loss of UCS the laptops.

PaySchools is Now PaySchools Central

All UCS schools now utilize a central PaySchools site, which can be visited at www.payschoolscentral.com. For more information and a PaySchools Central parent/student guide, please [click here](#).

Student Procedures for In-Person Instruction

- Students will be allowed to carry string backpacks and full-sized backpacks each day.
- Students will be expected to bring their **charged** laptops each day. It is recommended that the laptops charge overnight to be ready to bring the next day.
- Our [student ID policy](#) is attached.
- Our [cell phone policy](#) is attached.
- All students will enter the building through Door 1. From there, they will move to 3 separate locations based on grade level:
 - 7th grade will move to cafeteria.
 - 8th grade will move to the Main Gym.
 - 9th grade will move to Aux Gym.Students will remain in these locations until the warning bell rings, at which point they will move immediately to class.
- At the end of the day, all students will exit out of Door 1 and Door 2, which are in the front of the building.

Technical Support Contact Information for Students and Parents

The UCS Helpdesk will offer two ways for parents and students to contact them directly for technical support: Telephone: 586-797-1055 from 7:30 a.m. – 6:00 p.m. Email: techsupport@uticak12.org While the first resource for addressing issues is the school, this contact information will be useful if students have a technical support issue that we are not able to address, or students are encountering issues after school hours.

Automated Call Phone Contact Update

Utica Community Schools will continue to message important school-related information such as delayed openings or school closure through a number of resources including local media outlets. As a service to parents and staff, the District will also continue to call directly to phone numbers linked to our Automated Call Information Alert System. As we approach inclement weather season, it is a good time to remind parents and staff to ensure any recent change to phone number(s) has been reported. Parent phone numbers for the automated call are drawn from PowerSchool which should be updated at the building level.

Food Deliveries at Malow

Food that is delivered by a company such as Door Dash or Grub Hub will not be permitted at Malow. Due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. We ask that all students bring their own lunch or buy a lunch from the cafeteria or school store. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a

parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies and outside breakfast brought in the school in the morning must be consumed before going into first hour. This practice takes place at the high school level and Malow is aligning with Eisenhower in order to provide consistent expectations for our students. Thank you for your understanding and we appreciate your support.

The SNP Special Dietary Accommodations Form must be submitted every year. Allergy menus are found at <https://uticak12.nutrislice.com/> under the Elementary Allergy Menu tab. If your child requires a substitution, please inform the school at least 48 hours in advance.

Struggling Students

It is important to Malow counselors that ALL our students are successful. For students who may be struggling, we first encourage communication between the parent and the classroom teacher. If missing assignments are a problem, we encourage parents to try changing the question from, "Do you have homework tonight?" to "When will you complete your nightly study time?" Even on rare nights when no homework is assigned, all students will benefit from spending a minimum of 20-30 minutes each night reading textbooks, reviewing vocabulary flashcards, preparing for upcoming quizzes/tests, etc. If students don't bring home books and materials for this study time, parents can assign reading from a book at home, etc. Once students realize that their parents are serious about consistently enforcing a mandatory nightly study time on each school night (Sunday through Thursday), they will begin to bring home and complete their assignments.
