**AAPPL Test** is a web-based proficiency and performance-based assessment. This assessment is made up of four parts that assess three modes of communication:

1. Interpersonal Listening and Speaking (ILS)
2. Interpretive Listening (IL)
3. Interpretive Reading (IR)
4. Presentational Writing (PW)

**OPI/WPT Test** is a two-part assessment. The WPT web-based assessment consists of a series of writing tasks that address the presentational and interpersonal modes of communication. The OPI assessment is a 20–25-minute one-on-one interview between a certified ACTFL tester and the examinee.

All sections of the AAPPL or OPI/WPT test must be completed for an official score to be considered for credit.

Upon receipt of application, within 48 – 72 hours, an email will be sent from [teachingandlearning@uticak12.org](mailto:teachingandlearning@uticak12.org) to the student UCS email with login information and additional testing information.

Select the language test from option 1 or option 2
