

# MONDAY MOMENTS

NEW DAY · NEW WEEK · NEW GOAL

## Monthly Theme: **Get Imaginative** Week 11: **Spark Creativity**

“Creativity is seeing what others see and think what no one else ever thought.”  
~ Albert Einstein, Austrian Physicist

In what ways, do we use our **IMAGINATION** to create?

**IN 100 YEARS** ~~ Have your family chat about what you think life will be like in 100 years. Think about the houses we will live in, transportation we will use, food we will eat, and what kind of entertainment we will have. Empower family members to use their **IMAGINATION**.
