## Monthly Theme: Get Spectacular Week 28: Throw Confetti

“You know you’re living right when you wake up, brush your hair – and confetti falls out.” ~ Katy Perry, American Singer and Songwriter

Think about someone important in your life for a moment. What makes them SPECTACULAR? Being SPECTACULAR does not necessarily mean that they are famous or did something ground-breaking, like sending a rover to Mars, inventing frozen yogurt or launching a social media app that has billions of users. Those things are really stupendous. However, there are people who we see every day that do SPECTACULAR things. Maybe their smile makes everyone else smile. Maybe they help you believe that you can achieve anything. Maybe they make you laugh. Maybe they make you feel special and loved. Whatever the reason, we can celebrate that person because they make our world a SPECTACULAR place to be. How might letting someone know that they are pretty awesome help them GET SPECTACULAR?

Songs to Celebrate ~ Create a playlist of celebration songs. From Kool and the Gang to Katy Perry to Bruno Mars and so many more, make time to play these songs. Create space to THROW CONFETTI and GET SPECTACULAR.
