Attendance Intervention

Dear Parent or Guardian,

I am writing to inform you about an exciting new program we implemented on May 1, 2025. To enhance communication regarding student attendance, we will be utilizing Attendance Intervention, a PowerSchool product designed to streamline updates and alerts for families. With Attendance Intervention, you will receive text messages and email alerts directly from teachers and school leaders, keeping you informed about your child's attendance in real time.

What makes Attendance Intervention unique?

- **No Login Required:** Messages will automatically be sent to the phone number and email address the school has on file for you.
- **Direct Communication:** Each message will come from a unique phone number associated with the sender. This direct line allows you to easily save the sender's number in your phone and reply directly to them, if desired.
- **Absence Alerts:** Families will be notified if a student is absent from school in a timely fashion.
- **Say Goodbye to Language Barriers:** Attendance Intervention translates text and email messages into more than 90 languages, based on the preferred language on file.

You will receive a digital postcard as an attachment to the email message. It will look like this:

This new form of communication will be modified and adjusted, if needed, during the remainder of the current school year. We are confident that this program will enhance communication and ensure we are all working together to support our students' successes. If you have any questions, please don't hesitate to reach out to the school office.

Thank you for your continued partnership in your child's education.

Sincerely,

Thomas Yaw, Bemis Junior High School, Principal

OK2Say is a nationally recognized program designed to enhance school safety by giving students the tools to step up and speak out when they are concerned about their safety or the safety of another. The OK2SAY student safety program provides a confidential way to file tips on criminal activity or potential harm directed at students, school employees, and schools.

Tips can be submitted 24-hours-a-day, 7-days-a-week.

- Telephone: 8-555-OK2SAY (855-565-2729)
 - Text: 652729 (OK2SAY)
 - Email: ok2say@mi.gov
 - Website: ok2say.com
- OK2SAY Mobile app: Available in the Apple Store or Google Play.

OK2SAY tips have helped thousands of students and saved many lives because students are stepping up and speaking out when they are concerned about a friend or peer. There are 31 tip categories to choose from when submitting a confidential tip. Most tips were related to bullying, cyberbullying, self-harm, anxiety, stress and depression, and suicide. Other top tips include drug/alcohol use, weapon possession, or assault.

Upon receipt of a tip, specially trained OK2SAY technicians address the immediate need and forward the information to the appropriate responding law enforcement agency or organization. Tips go to schools, local law enforcement agencies, community mental health agencies or the Michigan Department of Health and Human Services.

To ensure tips are acted upon, agencies receiving tips are asked to submit outcome reports detailing how the tip was handled. Annual reports on the program's impact detail the types and numbers of tips handled. Annual reports are available on the OK2SAY website.

Dress Code

Bemis follows the dress code located in the [Parent and Student Handbook](#). This dress code does differ from the elementary school dress code. Student conduct is affected by student dress. Bemis strives to maintain a comfortable learning environment and our staff appreciates parental support in guiding appropriated dress for school. Students not conforming to the district code will have to call home for a change of clothing or wear a clean t-shirt and/or sweatpants provided by the school for the day.

Junior High School Parent and Student Handbook

The Utica Community Schools Parent-Student Handbook serves as quick references for families seeking answers to school policies, procedures and district activities. UCS Handbooks are published for elementary, junior high and senior high schools. Each handbook is created with student learning and parent partnership in mind. You are encouraged to download a copy and find the answers you seek at your leisure. Save a copy for future reference or go back and visit again. Remember: Handbooks are updated each year. Please click here to find the [2024-2025 Handbook](#).

PowerSchool

Parents and students can view their student's schedules, attendance and grades. [Click here](#) to access the PowerSchool Portal. Parents with multiple UCS students can now create an account to access all of their data with a single login. Parents will need the access ID and access password for each student. [Click here](#) for helpful instructional guides. Access IDs and passwords follow students from year to year. Please contact the main office with any questions.

Bemis Attendance Line

Parents are reminded to call the school attendance line, **586-797-2599**, to report their child's absence or tardiness. In order to be excused, all late/tardy students must be called in by a parent. A doctor's note must be provided to excuse late/tardy arrivals. Bemis Attendance line is available 24 hours a day. All late arrival/tardy students must report to the Main Office upon arrival to receive a late pass. If your child is absent and we have not received notification, we will call the parents.

Early Dismissal

Students who need to be excused during the school day should bring a signed note from their parents to the Main Office before school begins that morning. The note should include the date, time, and reason for dismissal as well as who will be picking the child up. By doing this, we keep classroom disruptions to a minimum as well as have your child waiting for you in the Main Office when you arrive. **PLEASE NOTE: Anyone signing a student out, must show identification and that person must also be on the students' contact list.** Students will not be released to anyone that is not listed on the contact list.

Homework Requests

Homework requests are not accepted until the third consecutive day of absence. You may request your child's homework on that third day by emailing your child's teacher. You can find a list of email addresses by clicking [here](#).

Use of Electronic Communication Devices is Prohibited

The personal use of cell phones or other electronic communications devices (ECD) by students is prohibited at any time while in school or in a district vehicle. Students may carry ECDs during the school day, but they cannot be displayed or used without permission from a teacher or administrator for educational purposes. Personal use of the device shall be limited to the time before and after the school day and only when students are outside the building. ECDs shall not be used during instructional time, lunch, passing time between classes or on any school bus without permission of a school official. The use of an ECD's picture-taking or internet connection capability is not permitted without permission of a teacher or administrator. Utica Community Schools will not be responsible for the theft, loss or damage of any ECD. Appropriate disciplinary action will be taken against students who violate the policy regulating ECDs.

If a student's ECD rings/vibrates during the school day, the ECD will be confiscated and must be picked up in the main office by the student's parent. Should this occur a second time, the student will receive a one-day suspension. If a student uses an ECD anytime inside the school, the ECD will be confiscated and the student will receive a one-day suspension.

All school meal menus are digitally accessible on all devices allowing for personalized viewing options. Users can select to view nutritional and allergen information, as well as customize print and language settings. Menus can be viewed at <https://uticak12.nutrislice.com>

Concussion Awareness

As part of a new state law, all UCS and Michigan parents will receive information about concussions, their symptoms and what to do if you suspect a concussion. All athletes are required to have this form completed and on file in the Main Office prior to participating on any sports teams. Click [HERE](#) for the concussion form.

Body Spray

Bemis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that can result in nausea and being sent home from school. In addition, strong perfume smells can trigger asthma attacks. Junior high is filled with a variety of smells ranging from strawberries to old spice. When those smells dominate the hallways, problems do occur. We are asking students to put on your favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day.

Recycle for Charity at Bemis

Look for the Disabled American Veterans (DAV) Donation Bin, located in the receiving driveway on the east side of Bemis Junior High. All items will go to the Disabled American Veterans, a non-profit organization located in Westland. Tax receipts can be found in the office. Donate your gently used clothes, shoes, toys, and small house appliances. DAVThriftMichigan.com
