National Civics Bee

The Chaldean Community Foundation and the Chaldean American Chamber of Commerce are partnering with the U.S. Chamber of Commerce Foundation and Michigan Chamber of Commerce to host a first-of-its-kind civics competition that encourages young Americans to engage in civics and contribute to their communities. Participating 6th, 7th and 8th graders will flex their civics knowledge for a chance to win recognition and cash prizes. Finalists will be invited to Washington, D.C. to compete in the inaugural National Civics Bee national championship in Fall 2024.

Our schools, our town, our community are built on the foundations of civics. We want to help students in our community appreciate the importance of civics in our everyday lives. The 2024 National Civics Bee® is an initiative aimed at encouraging more young Americans to engage in civics and contribute to their communities. Organized in partnership with The Civic Trust® of the U.S. Chamber of Commerce Foundation, the competition in Sterling Heights, Michigan will inspire middle schoolers to become better informed about American democracy, to engage respectfully and constructively in the community, and to build greater trust in others and institutions.

Middle school students from across our district are invited to take part in the first-round civics essay competition. A cross-section of community leaders (including government officials, business leaders and educators) will review each of the 500-word essay submissions. The top 20 students will be selected to move on to the final round of competition: a live quiz event to test their civics knowledge. The finalists and top winners will receive various prizes, including \$500 cash for the first-place student. The top 3 winners will then have a chance to compete at the State level. See [attached flyer](#) for more information.

The deadline for student essay submissions is January 8, 2024. For more information on the essay topic, competition rules and prizes, and for students to submit essays, visit: <https://www.chaldeanfoundation.org/national-civics-bee/>

Attendance & Grading

Attendance is required and tracked in accordance with [Board of Education policy 5115](#). Parents should call the attendance line to report all absences (586-797-3599). Attendance will be taken each hour. Tardiness will be tracked the same way as face-to-face instruction. The Malow office will continue to communicate all absences via automated email to parents on the same day. Actual grades will be given and posted on PowerSchool. We recommend that all parents consistently check PowerSchool for updated grades and attendance.

Attendance Line / Late Arrival Call-in

If an absence is absolutely necessary, **parents must call the Malow attendance voice mail BEFORE 9:00 a.m. The attendance phone number is 797-3599**. Give the student's name (**spelling the last name**), grade, reason for absence and length of absence. The voice mail is on twenty-four hours a day, so you can avoid busy phone lines in the morning by phoning in the night before. If unable to reach the voice mail, parents may call the Main Office at 797-3500. If it is impossible to call the school, the parent must supply a signed note stating the date and reason for absence when the student returns to school or the absence will be counted as unexcused.

Early Dismissals

[Click here](#) for information on Malow's early dismissal process.

Automated Attendance

For the safety of our students, Malow uses an automated attendance phone system. If you have not called the attendance line to excuse your student's absence for the day, you will receive an automated phone call beginning at 6:00 pm.

Injury or Illness – Dispensing of Medication

When a student becomes ill or injured during the school day, we will contact a parent or designated adult for directions. Please arrange to pick up a sick or injured student as quickly as possible. Students who require medication (prescription or over the counter) during the school day, **must have a medication permission form** signed by the parent and the doctor. This form will be filed along with the medication in the Main Office. **All medication MUST be in the original container labeled with the student's name**. Please [click here](#) to access the General Health Care Plan form.

Health Care Plan Forms

Do You Drive Your Student to School?

Safety in our parking lot is our number one priority. We truly appreciate the patience and courtesy extended between drivers. Please continue to drive slowly and be aware of your surroundings. Our students do a great job complying with our rules in the parking lot, but we still need to be extremely cautious.

If it is necessary to drive your child to school, please use the outer lane for quick drop off of students while reserving the inner lane for thru traffic. Have your student exit the vehicle as **quickly** as possible. **Please do not wait until you are the first car in line before dropping your student off, and do not wait until your child is in the building before driving away.** The idea is to reduce the long line of cars coming into the parking lot in the morning by allowing several cars to drop off students at one time. If you or your student insists on waiting to get to the front of the line to exit the car, the purpose is defeated, and traffic flow will be impeded.

Non-School Issued Electronic Communications Devices (UCS Student Handbook)

Please [click here](#) for our cell phone/ECD policy.

Technology Responsibility

We are asking for everyone to review the [5160 Rules and Regulations Information and Communication](#). Please make sure that when laptops are transported back and forth to school that they are secured in a backpack. Please also remember, as stated in the linked document above, parents/students will be held financially responsible for damage to or loss of UCS the laptops.

Student Procedures for In-Person Instruction

- Students will be allowed to carry string backpacks and full-sized backpacks each day.
- Students will be expected to bring their **charged** laptops each day. It is recommended that the laptops charge overnight to be ready to bring the next day.
- Our [student ID policy](#) is attached.
- Our [cell phone policy](#) is attached.
- All students will enter the building through Door 1. From there, they will move to 3 separate locations based on grade level:
 - 7th grade will move to cafeteria.
 - 8th grade will move to the Main Gym.
 - 9th grade will move to Aux Gym.Students will remain in these locations until the warning bell rings, at which point they will move immediately to class.
- At the end of the day, all students will exit out of Door 1 and Door 2, which are in the front of the building.

Technical Support Contact Information for Students and Parents

Starting Tuesday, January 19, 2021 the UCS Helpdesk will offer two ways for parents and students to contact them directly for technical support: Telephone: 586-797-1055 from 7:30 a.m. – 6:00 p.m. Email: techsupport@uticak12.org While the first resource for addressing issues is the school, this contact information will be useful if students have a technical support issue that we are not able to address, or students are encountering issues after school hours.

Automated Call Phone Contact Update

Utica Community Schools will continue to message important school-related information such as delayed openings or school closure through a number of resources including local media outlets. As a service to parents and staff, the District will also continue to call directly to phone numbers linked to our Automated Call Information Alert System. As we approach inclement weather season, it is a good time to remind parents and staff to ensure any recent change to phone number(s) has been reported. Parent phone numbers for the automated call are drawn from PowerSchool which should be updated at the building level.

Food Deliveries at Malow

Food that is delivered by a company such as Door Dash or Grub Hub will not be permitted at Malow. Due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. We ask that all students bring their own lunch or buy a lunch from the cafeteria or school store. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies and outside breakfast brought in the school in the morning must be consumed before going into first hour. This practice takes place at the high school level and Malow is aligning with Eisenhower in order to provide consistent expectations for our students. Thank you for your understanding and we appreciate your support.

MI Child

Utica Community Schools is committed to promoting the safe and effective use of technology. Through our district's K-12 digital citizenship initiatives, we are providing students with information that promotes the proper use of digital content and tools. A tool that families can use to help protect their children is the Michigan Child Protection Registry. This free service from the State of Michigan protects children's e-mail, cell phone numbers and Instant Messaging addresses from receiving inappropriate, adult-themed material. The registry can be accessed by visiting www.protectMIChild.com. In addition, parents can click on the Protect MI Child icon, which will soon appear on the district and school Web sites for direct access to the registry.

Struggling Students

It is important to Malow counselors that ALL our students are successful. For students who may be struggling, we first encourage communication between the parent and the classroom teacher. If missing assignments are a problem, we encourage parents to try changing the question from, "Do you have homework tonight?" to "When will you complete your nightly study time?" Even on rare nights when no homework is assigned, all students will benefit from spending a minimum of 20-30 minutes each night reading textbooks, reviewing vocabulary flashcards, preparing for upcoming quizzes/tests, etc. If students don't bring home books and materials for this study time, parents can assign reading from a book at home, etc. Once students realize that their parents are serious about consistently enforcing a mandatory nightly study time on each school night (Sunday through Thursday), they will begin to bring home and complete their assignments.
