Attendance & Grading

Attendance is required and tracked in accordance with [Board of Education policy 5115](#). Parents should call the attendance line to report all absences (586-797-3599). Attendance will be taken each hour. Tardiness will be tracked the same way as face-to-face instruction. The Malow office will continue to communicate all absences via automated email to parents on the same day. Actual grades will be given and posted on PowerSchool. We recommend that all parents consistently check PowerSchool for updated grades and attendance.

Attendance Line / Late Arrival Call-in

If an absence is absolutely necessary, **parents must call the Malow attendance voice mail BEFORE 9:00 a.m. The attendance phone number is 797-3599**. Give the student's name (**spelling the last name**), grade, reason for absence and length of absence. The voice mail is on twenty-four hours a day, so you can avoid busy phone lines in the morning by phoning in the night before. If unable to reach the voice mail, parents may call the Main Office at 797-3500. If it is impossible to call the school, the parent must supply a signed note stating the date and reason for absence when the student returns to school or the absence will be counted as unexcused.

Early Dismissals

[Click here](#) for information on Malow's early dismissal process.

Automated Attendance

For the safety of our students, Malow uses an automated attendance phone system. If you have not called the attendance line to excuse your student's absence for the day, you will receive an automated phone call beginning at 6:00 pm.

Do You Drive Your Student to School?

Safety in our parking lot is our number one priority. We truly appreciate the patience and courtesy extended between drivers. Please continue to drive slowly and be aware of your surroundings. Our students do a great job complying with our rules in the parking lot, but we still need to be extremely cautious.

If it is necessary to drive your child to school, please use the outer lane for quick drop off of students while reserving the inner lane for thru traffic. Have your student exit the vehicle as **quickly** as possible. **Please do not wait until you are the first car in line before dropping your student off, and do not wait until your child is in the building before driving away.** The idea is to reduce the long line of cars coming into the parking lot in the morning by allowing several cars to drop off students at one time. If you or your student insists on waiting to get to the front of the line to exit the car, the purpose is defeated, and traffic flow will be impeded.

Once buses begin exiting after school, cars must wait until all buses are in the driveway before exiting the parking lot or pick-up area.

Technology Responsibility

We are asking for everyone to review the [5160 Rules and Regulations Information and Communication](#). Please make sure that when laptops are transported back and forth to school that they are secured in a backpack. Please also remember, as stated in the linked document above, parents/students will be held financially responsible for damage to or loss of UCS the laptops.

Student Procedures for In-Person Instruction

- Students will be allowed to carry string backpacks and full-sized backpacks each day.
- Students will be expected to bring their **charged** laptops each day. It is recommended that the laptops charge overnight to be ready to bring the next day.
- Our [student ID policy](#) is attached.
- Our [cell phone policy](#) is attached.
- All students will enter the building through Door 1. From there, they will move to 3 separate locations based on grade level:
 - 7th grade will move to cafeteria.
 - 8th grade will move to the Main Gym.
 - 9th grade will move to Aux Gym.Students will remain in these locations until the warning bell rings, at which point they will move immediately to class.
- At the end of the day, all students will exit out of Door 1 and Door 2, which are in the front of the building.

Technical Support Contact Information for Students and Parents

Starting Tuesday, January 19, 2021 the UCS Helpdesk will offer two ways for parents and students to contact them directly for technical support: Telephone: 586-797-1055 from 7:30 a.m. – 6:00 p.m. Email: techsupport@uticak12.org While the first resource for addressing issues is the school, this contact information will be useful if students have a technical support issue that we are not able to address, or students are encountering issues after school hours.

Automated Call Phone Contact Update

Utica Community Schools will continue to message important school-related information such as delayed openings or school closure through a number of resources including local media outlets. As a service to parents and staff, the District will also continue to call directly to phone numbers linked to our Automated Call Information Alert System. As we approach inclement weather season, it is a good time to remind parents and staff to ensure any recent change to phone number(s) has been reported. Parent phone numbers for the automated call are drawn from PowerSchool which should be updated at the building level.

Food Deliveries at Malow

Food that is delivered by a company such as Door Dash or Grub Hub will not be permitted at Malow. Due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. We ask that all students bring their own lunch or buy a lunch from the cafeteria or school store. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies and outside breakfast brought in the school in the morning must be consumed before going into first hour. This practice takes place at the high school level and Malow is aligning with Eisenhower in order to provide consistent expectations for our students. Thank you for your understanding and we appreciate your support.

Did you know that we offer [vegetarian options](#) every day? Please go to <https://uticak12.nutrislice.com> for menu offerings.

Allergy Accommodation Forms

Students with food allergies that wish to use school meals must have a [Special Dietary Needs form](#) completed and signed by a physician. Forms need to be turned in to the office of Food and Nutrition Service. Without this form we cannot make accommodations. This form must be updated every year to ensure accuracy. Since all schools have vegetarian options, parents do not need to complete a form for that option.

This completed and signed form must be submitted to the Food and Nutrition Services department at foodservice@uticak12.org and is required before meal accommodations can be made. The SNP Special Dietary Accommodations Form must be submitted every year. Allergy menus are found at <https://uticak12.nutrislice.com/> under the Elementary Allergy Menu tab. If your child requires a substitution, please inform the school at least 48 hours in advance.

MI Child

Utica Community Schools is committed to promoting the safe and effective use of technology. Through our district's K-12 digital citizenship initiatives, we are providing students with information that promotes the proper use of digital content and tools. A tool that families can use to help protect their children is the Michigan Child Protection Registry. This free service from the State of Michigan protects children's e-mail, cell phone numbers and Instant Messaging addresses from receiving inappropriate, adult-themed material. The registry can be accessed by visiting www.protectMIChild.com. In addition, parents can click on the Protect MI Child icon, which will soon appear on the district and school Web sites for direct access to the registry.

Struggling Students

It is important to Malow counselors that ALL our students are successful. For students who may be struggling, we first encourage communication between the parent and the classroom teacher. If missing assignments are a problem, we encourage parents to try changing the question from, "Do you have homework tonight?" to "When will you complete your nightly study time?" Even on rare nights when no homework is assigned, all students will benefit from spending a minimum of 20-30 minutes each night reading textbooks, reviewing vocabulary flashcards, preparing for upcoming quizzes/tests, etc. If students don't bring home books and materials for this study time, parents can assign reading from a book at home, etc. Once students realize that their parents are serious about consistently enforcing a mandatory nightly study time on each school night (Sunday through Thursday), they will begin to bring home and complete their assignments.

Advice for 9th Graders

High School officially begins in 9th grade and students are encouraged to make a strong start with their GPA. We also recommend that students begin recording their involvement in clubs, sports, community service, and other activities. On our [Malow Naviance Family Connection Page](#) families can find a sample “Student Record for College” located in the documents area in the upper right hand corner. Recording this information each year will make college application time much less stressful.

*German with Mrs. Palaian - Oktoberfest

MALOW 
DEUTSCH

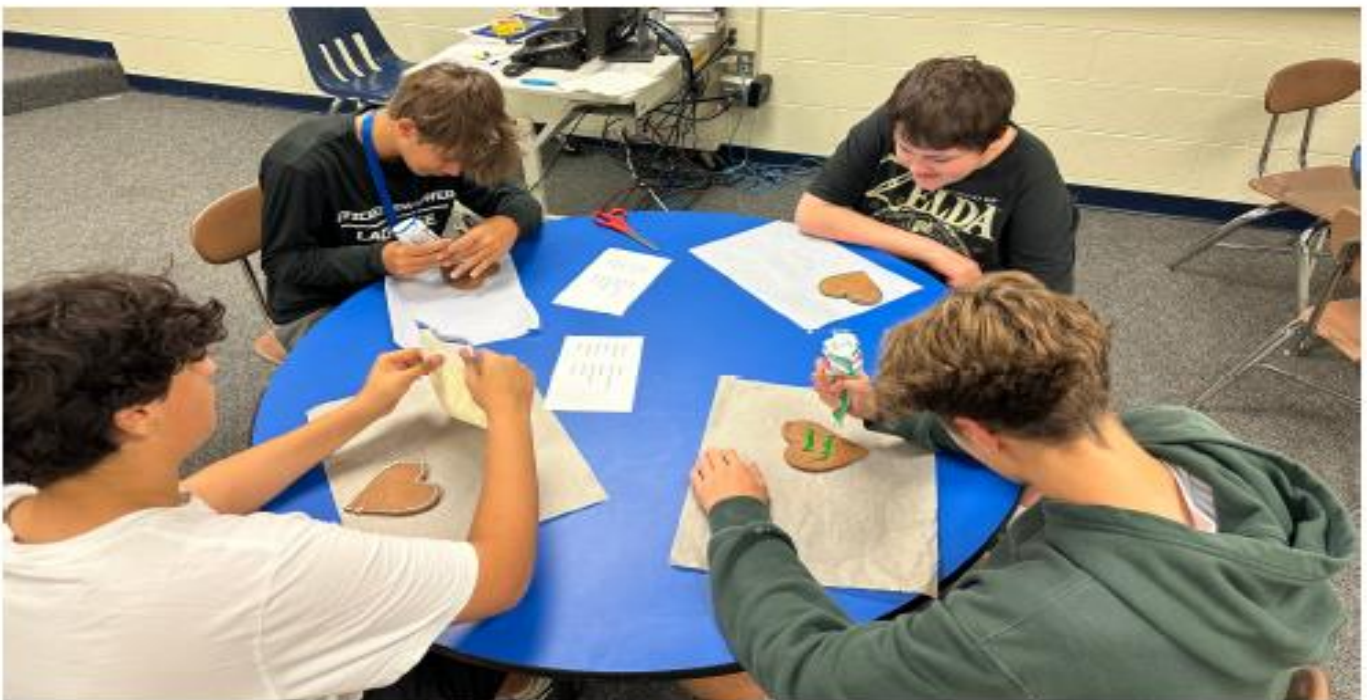

Oktoberfest

Malow families celebrated Oktoberfest on Thursday, October 5th 2023. Students learned that Oktoberfest is a tradition started in 1810 when King Ludwig married Princess Therese, the reason that it starts in September, and what a Lebkuchenherz is. Students and their families were then able to enjoy authentic German dishes and some energetic Oktoberfest dancing. We can't wait for next year's celebration!

Students in German 2 decorated traditional gingerbread hearts to celebrate Oktoberfest.
