Please note: Utica Community Schools will provide bus service to all students in kindergarten through twelfth grades that live more than 1.5 miles from their home school. The Transportation Department will place bus stops within one-half mile for elementary students and one mile for secondary students throughout the district. Parents are responsible for their students at the bus stop. All transportation inquiries will be reviewed by the Transportation Office. The Transportation Office will evaluate requests utilizing district parameters, Michigan State law and Michigan Department of Education recommendations.
