SCHOOL TO WORK…
MAKING THE CONNECTION

• The objective of our STW Program is to connect classroom learning with work-based learning experiences, prepare students for the move from classroom to work site, support supervised on-the-job training, and help students make career decisions.
• Our Students will:
  • Develop the essential skills and habits required in the workplace.
  • Receive a Grade and Credit towards graduation.
  • Gain valuable work experience to help build a resume for post-secondary programs and future employment.

WHAT ARE THE REQUIREMENTS?

GPA-2.0 Minimum.

Attendance-Excellen

Students work 10 hours a week at minimum, 24 maximum per child labor laws.

Students complete and submit time books and get evaluated quarterly by their employers. Students attends monthly meetings with coordinators.

Enrollment in a CTE Course concurrent with their internship placement.

Coordinators visit work sites to ensure a safe and productive training environment and build relationships with employers.
