

What is AVID

AVID is:

- A program that teaches students tools to succeed
- Hard work
- For students who have potential
- For kids who want to do better
- A college preparatory class
- A group of friends that both support and encourage one another
- A class that helps with organization and time management
- A life-changing class
- A family

AVID is not:

- Remedial or a study hall
- Meant for every student
- An easy A
- For the unmotivated student
- Busy work

AVID students are:

- Students with GPA's between 2.0-3.5
- Willing to improve their schoolwork by working harder than their peers
- Motivated to improve their academic skills
- Goal-oriented and want to attend a 4-year university
- Able and willing to take and do the daily work to succeed in AP/Honors classes
- Involved in extra-curricular activities
- Much better prepared for college than their classmates
- More knowledgeable about how to succeed in school and in life
- Involved in their community
