

# VIRTUAL LIBRARY CARDS

## ••••• What is a Virtual Library Card? •••••

Virtual Library Cards grant access to most of the library's electronic services without needing to apply for a traditional library card. Virtual Library Cards are given to all the students and teachers in Utica Community Schools and Warren Consolidated Schools for free.

## HIGHLIGHTED SERVICES

**Tutor.com** - Get live homework help with professionally screened tutors. Available **noon to midnight**.

**Overdrive eBooks** - Download eBooks and digital audio books through the Midwest Collaborative for Library Services.

**RBdigital** - Download audiobooks and magazines for free and keep them for as long as you like.

**Public Computers** - Log onto our in-library computers.

## •••• What is my Virtual Library Card number? ••••

The card number and PIN was sent to parents in a secure email. If that email has been lost, please call the library at 586-446-2665. When prompted for routing options, press 2 for Circulation.

## ••••• What if I want to checkout items? •••••

You cannot checkout physical items with a virtual library card, but Sterling Heights residents can still apply for a traditional library card. Ask our staff for details.
