## **ARTS AND COMMUNICATIONS INTERNSHIP** – N106

11, 12

1.0 credit

PREREQUISITE: School to work Coordinator approval, and enrollment in a related CTE course.

This course offers students the opportunity to spend a portion of their school day working at a training site in the community. This employment experience is related to the career goals of the student and is supervised by the school-to-work coordinator. The student will develop workplace skills and leadership traits in their chosen area of specialty. Evaluation of job performance and assessment of coursework is the responsibility of the STW Coordinator with input from the training site supervisor. This program adheres to all federal and state labor laws.

*\*Course content may address skills pertaining to these potential Career Zones: Arts & Communications*
