Lunch Deliveries : REMINDER

Food Deliveries: Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).

Thank you for your understanding and we appreciate your support.

- Hoods/hats are not to be worn in the building.
- Clothing must not show bare mid-drifts, shoulders, cut too low or any derogatory or drug/alcohol messages.

Student Drop-off after 7:20

Parents, please be aware that there is often no need to come into the building when you are dropping off your child at school if they are late or after an appointment. The only reasons we will require you to come into the building are if you are picking up your child, for which you will need ID, or if you are dropping off anything for your child, which we ask that you label for their pick-up. Other than that, please feel free to stay in your warm and dry vehicle (on cold and rainy days) and enjoy whatever you may be listening to from your playlist! Thank you!!

Eppler Clubs & Organizations

Cultural Diversity Club

Have you ever felt different? Like you don't fit in?

You're not alone. Which is why Eppler Student Advisory Board is sponsoring the new ... Cultural Diversity Club!

The Cultural Diversity Club is all about inclusion, open mindfulness, and advocating for misrepresented groups. In this club, we'll have monthly after-school meetings that showcase different cultures and give students opportunities to learn and show off their cultures. But culture is not just ethnicity, it's who you are as a person, what makes you, you. That includes hobbies, personal identity, beliefs, and more. Our goal is to give students a safe and welcoming place to express themselves, have people to relate to, remove negative stereotypes about certain groups and to have fun!

We welcome every student at Eppler to attend, even if you're unsure what culture you identify with.

If you are interested in joining, then come to our first meetings after school at 2:15 in Room 117!
Hope to see you there!

CRWC River Day Design Contest

RIVER DAY DESIGN CONTEST

The Clinton River Watershed Council is now accepting submissions for its 26th Annual River Day design contest. The contest encouraged local artists to get involved in the promotion of River Day, which will be held on Saturday, June 8th. The event coincides with Michigan's Free Fishing Weekend and Great Lakes & Fresh Water Week. Events occur throughout the entire month of June and will include festivals, fishing derbies, fly-tying lessons, clean-up events, native plant sales, recreational opportunities, and more.

The winning River Day design is being used on official River Day shirts, the event guide, and the CRWC website to promote River Day. The winner of the River Day design contest received an official River Day T-shirt with their design on it and a one-year membership to the watershed council.

- Artist can be of any experience level
- Size: 8.5 x 11 inches or smaller
- The year 2024 must be prominent in the design of the logo, and the design must include the words River Day
 - o Electronic submissions (JPEG, PNG, AI, INDD, or PDF files only) are permitted, but they must meet the above requirements and be 300 dpi resolution or greater. Please email electronic submissions to cole@crwc.org by March 20, 2024

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.

Youth and Family Programs

Visit www.careofsem.com for locations, times, and dates for all programs.

Peaceful Alternatives to Tough Situations (PATS):

An educational series to help youth deal with their emotions in appropriate ways by understanding their own resources and developing their own plan of action with skills that really work!

* Parent participation required

Teen Intervene:

Power of Drugs and Alcohol is a series designed to provide education, support and guidance to teens that have experienced mild to moderate use of alcohol or other drugs. This program also offers parents and guardians the opportunity to learn healthy communication skills and the importance of establishing family rules regarding alcohol or other drug use.

* Parent participation required

Parent Education Classes:

A series for parents to discuss ways to understand behavior, build self-esteem, increase cooperation and provide discipline that teaches personal responsibility. Groups include early childhood (ages 0-5), school age (ages 6-12) and teens (ages 13-18). A book for the appropriate age group is required.

INDEPTH:

INDEPTH is the American Lung Association's Intervention for Nicotine Dependence, Education, Prevention, Tobacco and Health program. A forward-thinking alternative to suspension or citation for tobacco use, including e-cigarettes, INDEPTH addresses the teen vaping epidemic in a more supportive way. This interactive program teaches students about nicotine dependence, establishing healthy alternatives and making the change to be free of all tobacco products, including e-cigarettes. INDEPTH is led by a trained, CARE facilitator either one-on-one or in a group setting.

Camp CARE:

This program is offered for children/families who have been impacted by alcohol and other drugs by a loved one. Through small group discussions, children, youth and teens learn: You are not alone, identify and process feelings, how to be safe, celebrate themselves, how to handle peer pressure, conflict resolution, making healthy choices, and life skill building.

Teens Talking Truth:

T³ participates in social events, community service opportunities, and workshops that address the challenges of today's youth, with a primary focus on alcohol, tobacco and other drug prevention and a healthy teen lifestyle. T³ also works to get rid of the myth that all teens require drugs or alcohol to have fun!

Clinton River Watershed Council Visit

As part of a unit on ecology and conservation, 9th grade science students were able to speak with a representative from the Clinton River Watershed Council (CRWC). Students were provided information about the Clinton River Watershed Council, what its goals are and how they are working to conserve different areas within our local watershed. Information was also presented about ways students can get involved with these types of projects and things to consider if this is work that interests them in the future. A big thank you to the CRWC for

Wellness Monday Moments

Students had the chance to learn some calming strategies at lunch through word searches, puzzles, and tip sheets.

Mrs. Gleason's class made coping playlists and discussed how music helps us take a break from reality and change our mood. The kids loved listening to music and hearing songs from their friends and the teacher. She said there was a whole lot of singing going on!

Mrs. Bankstahl was "DJ Bankstahl" on Wellness Monday while students completed My Mix Tape and Mood Music handouts. There was even a little time for karaoke!

Mrs. Daugherty's French classes tapped into their creative side to relax while they made Mardi Gras masks. Beautiful!

*The next Wellness Wednesday is April 17, 2024!

Computer Science Discoveries

CSD SPHERO BOLTS

STUDENTS IN MRS. MATTEO'S COMPUTER SCIENCE DISCOVERIES CLASSES SPENT TIME LAST WEEK LEARNING TO PROGRAM WITH SPHERO BOLTS. A SPHERO BOLT IS A PROGRAMMABLE ROBOT BALL THAT YOU CAN DRIVE AND CODE WITH TEXT OR BLOCKS, USING THE LANGUAGE JAVASCRIPT. STUDENTS HAD TO COMPLETE SEVERAL CHALLENGES WITH THEIR SPHERO'S, INCLUDING MAKING THEIR ROBOT DRAW VARIOUS SHAPES AND CODE IT THROUGH A MAZE. OVERALL, THE STUDENTS WERE CREATIVE AND HAD FUN WHILE LEARNING TO CODE!

Mrs. Markus & Mrs. Gleason are lucky ducks with students like this! Avid 7 & 9 students spent “Fun”damental Friday recreating a rubber duck with playdoh. Students picked a duck randomly and had only 20 minutes to create their replica. There were a lot of laughs and impressive artwork. This activity touched on AVID WICOR strategies of Inquiry, Collaboration and Organization. Great job AVID 7 & 9! We can't wait to the ducks AVID 8 comes up with next week!
