

Mrs. Markland's Class, Fall 2023

6th Grade Suggested Supply List

Here are a few supplies that will help you along in sixth grade this year:

- **One 3 Ring Binder** (1 ½ to 2 inch) WITH VIEW POCKET ON FRONT COVER.
 - **5 to 6 two pocket folders, with HOLES** to fit in your binder. NOT DUOTANG (no prongs inside). Nothing fancy is needed, but it's helpful to get different colors/patterns for each subject.
 - **TWO Composition Notebooks**, one to use as a Writer's Notebook and one as a Math notebook. I suggest these because you WILL NOT be tearing pages out of this, and spiral notebooks fall apart easily.
 - Pencil bag/pouch. **NOT A PENCIL BOX PLEASE.** Pouches are easier to carry, fit in desks, and can be added into binders.
 - Lined paper and/or notebooks
 - 1 to 2 boxes/packs of pencils. You WILL NEED PENCILS FOR MATH. Wooden or mechanical, either is fine.
 - Black or blue pens (several)
 - One pack of highlighters
 - Colored pencils or crayons (Markers are OK for some things, but not everything.)
 - Scissors (kid size)
 - Glue sticks
- *** Most files will be saved on school computers or OneDrive.***

Classroom Donations – Optional and Appreciated

- **Facial tissue or Kleenex**
- **Disinfectant wipes for cleanup**
- Baby wipes (good for cleaning white boards!)
- Spare glue sticks, highlighters, colored pencils, folders, etc. (for students)
- Indoor recess games
