

COLLEGE for Creative STUDIES

# Take a CCS Animation Course at Stevenson High School

**Creative Visualization** (Fall 2024) & **2D Digital Animation** (Winter 2024)

## Apply in Two Easy Steps:

- 1 Contact your counselor for approval**
- 2 Register online by scanning the QR code after March 1**

[ccsdetroit.edu/dual-enrollment](https://ccsdetroit.edu/dual-enrollment)

## Earn 6 College Credits!

College for Creative Studies is bringing animation courses to UCS students. The courses will be offered half on-line and half in-person at Stevenson High School. Students approved by the district can take these \$900, 3 credit courses for \$175.

### Fall: Creative Visualization, September - December, 2024

*Wednesday, 4pm - 6:45pm at Stevenson High School*

The emphasis of this course is on imaginative pre-production for an evolving world of moving images. Students will develop their storytelling skills through creative writing and pre-visualization exercises for animation, game, live action, and new media. This is a required course for all first year Entertainment Arts students.

3 College Credits

### Winter: 2D Digital Animation, January - May, 2025

*Wednesday, 4pm - 6:45pm at Stevenson High School*

This course introduces students to time-based animation through basic concepts and theories of compositing, digital workflow, sequencing, rendering, file management and organization. Students also communicate through motion graphic design, compositing 'puppeting,' and other digital animation practices. Prerequisite: Creative Visualization
