- Students that make an athletic team and earn failing grades and/or have low citizenship marks (N or U or combination) will be placed on academic probation during the season. The criteria above is utilized for weekly athletic eligibility checks with grades (three or more failed classes) and citizenship (three or more Ns or Us).
- Must be in school for 3 hours to play.

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the “**Davis Junior High School Communication Process Flowchart**,” has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. **As always, classroom concerns and questions should be directed to the specific teacher involved.** The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference. Please note that our office staff will be trained to help assist parents with this process and in many cases you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the “**Communication Process Flowchart**.” The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response**. If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don't demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students' behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

School issued lanyards will be provided to every student at no cost on Tuesday, September 3. Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home.**

Teachers will do periodic student ID checks in class, at the discretion of administration. Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced **IMMEDIATELY**.
- If the ID card is lost, a student may purchase a new student ID card from the office.
 - **There will be a \$5.00 fee to replace a lost ID badge and a \$1.00 fee to replace lost lanyards.**
 - At the discretion of the administration, a designated hour may be established for purchasing IDs.
- Students are excused from wearing ID cards during classes **IF** a teacher/administrator considers it to be a safety risk during identified classroom or other activities, including, but not limited to:
 - Science labs, equipment use, physical education, music, and other classes when wearing the student ID may cause entanglement or safety concerns.

Students who do not have their student ID cards will adhere to the following procedures:

Before school begins, a student who does not have a student ID must obtain a temporary ID in the Main Office.

- Please note that there is a limit of three consecutive days that a student may obtain a temporary ID. After the third consecutive day, student will report to the Assistant Principal.

- If a student reports to class **WITHOUT** a proper or temporary ID, the teacher will send the student to the office to obtain a temporary ID. The temporary ID **MUST** be worn and visible for the remainder of the day. The temporary ID will have the date issued on it and needs to be returned at the end of the day.

Consequences for Not Displaying/Possessing School ID card:

- **1st Violation - FIRST** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **2nd Violation - SECOND** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **3rd Violation** – Responsible Choices Room (Lunch detention) – Issued a temporary ID and a call home by Administrator.
- **4th Violation** – Additional consequences, up to and including suspension at the discretion of Administration.

NOTE: Consequences are cumulative for the entire school year.

If requested by staff, all students must provide access to their ID. Failure to comply with a reasonable request from any staff member is defined as Defiance of Authority. Any consequence for failure to comply will be in addition to the one for the ID violation

Davis Junior High School reserves the right to modify the Student ID Policy at any time without notice. Any subsequent changes to the policy will be communicated through its normal means of dispersing information.

Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our **“Raider Red Expectations.”**

During the first week of school and throughout the year, staff members will be teaching our **“Raider Red Expectations: I Can Listen, Learn and Lead”** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning **“Raider Red Tickets”** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our “Earned Privilege Program.” The Earned Privilege Program is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to “fun” school opportunities and we are very happy about this part of our program. Our **“Raider Red Expectations: I Can Listen, Learn and Lead”** will be posted throughout the classrooms and school for easy reference for our students. The matrix of our expectations is attached for you to review (last page.) It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program. **Students that return the matrix with a parent signature will earn a “Raider Red Ticket,” during Raider Day for demonstrating leadership and will be entered in our first Friday lunch drawing on September 15, 2023.**

The following students were winners for the PBS Friday drawing held during their lunch:

Every week we hold a “red card” drawing at lunch for students. Names are announced in the newsletter every week!

These students earned “Raider Red Tickets” for demonstrating that they “Listen, Learn and Lead.” Congratulations to our winners!

Tips for Becoming a Super Organized Student!

The most successful Davis students typically choose one of the following three systems for organizing themselves:

- **Binder System** -- This is the system most recommended by teachers. For each class, papers are hole-punched and organized into a binder with divider tabs (depending on the class, tab sections might include: notes, homework, quizzes/tests, review guides, labs, etc.). An organized binder allows students to easily locate papers at exam time or in the event of a grade discrepancy. The binder system also prevents the embarrassment of papers falling all over the hallway as sometimes happens when over-stuffed paper folders drop. Some students carry a two-pocket folder to each class on a daily basis and move papers into their binders regularly.
- **Trapper Keeper/Case-It** -- This system is great for students who like the ease of keeping a folder for each class clipped together in one larger central binder. When the six individual folders fill up, papers can be filed into binders with divider tabs or can be stored at home using another system until exam time.
- **Folder for Each Class** -- In this system students use an inexpensive paper or plastic two-pocket folder for each class and replace them every 5-10 weeks as they fill up. Folders for each progress report or marking period are saved at home for use at exam time.

It is not recommended to use the same two-pocket folder for all six classes. This method usually leads to disorganization, lost papers, and stress.

Some additional tips for parents and students to consider:

- **Planner** -- Students are strongly encouraged to use a student planner/agenda. Students can record assignments for each hour in the daily space and can record upcoming quizzes/tests and projects in the monthly space.
- **PowerSchool** -- PowerSchool can be checked regularly online or using the app. The UCS District Code is NKDJ. Many teachers leave progress comments in PowerSchool for parents and students. [Click here](https://ps.ucs.misd.net/public/home.html) or go to <https://ps.ucs.misd.net/public/home.html>
- **Phone/Digital Organizer** -- Students who have not been successful using a traditional planner/agenda are sometimes more successful using their phone, iPod, or other digital device. With teacher permission, students can take a photo of the daily agenda/assignments in each classroom. Students can also set reminders to turn in homework at the start of each hour or for quizzes and tests.
- **Teachers Websites** -- Many teachers have highly detailed websites explaining assignments for the week or month, outlining upcoming quiz/test dates, and providing a way to download handouts and assignments. Teacher websites are linked from our Davis website.
- **Well-Supplied Study Area at Home** -- It is a great idea for students to have a study area at home with supplies such as pencils, erasers, pencil sharpener, loose leaf paper, stapler, hole punch, etc. This prevents time wasted hunting around the house at homework time.

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the “**Davis Junior High School Communication Process Flowchart**,” has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. **As always, classroom concerns and questions should be directed to the specific teacher involved.** The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference. Please note that our office staff will be trained to help assist parents with this process and in many cases you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the “**Communication Process Flowchart**.” The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response**. If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don't demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students' behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

School issued lanyards will be provided to every student at no cost on Tuesday, September 3. Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home.**

Teachers will do periodic student ID checks in class, at the discretion of administration. Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced **IMMEDIATELY**.
- If the ID card is lost, a student may purchase a new student ID card from the office.
 - **There will be a \$5.00 fee to replace a lost ID badge and a \$1.00 fee to replace lost lanyards.**
 - At the discretion of the administration, a designated hour may be established for purchasing IDs.
- Students are excused from wearing ID cards during classes **IF** a teacher/administrator considers it to be a safety risk during identified classroom or other activities, including, but not limited to:
 - Science labs, equipment use, physical education, music, and other classes when wearing the student ID may cause entanglement or safety concerns.

Students who do not have their student ID cards will adhere to the following procedures:

Before school begins, a student who does not have a student ID must obtain a temporary ID in the Main Office.

- Please note that there is a limit of three consecutive days that a student may obtain a temporary ID. After the third consecutive day, student will report to the Assistant Principal.

- If a student reports to class **WITHOUT** a proper or temporary ID, the teacher will send the student to the office to obtain a temporary ID. The temporary ID **MUST** be worn and visible for the remainder of the day. The temporary ID will have the date issued on it and needs to be returned at the end of the day.

Consequences for Not Displaying/Possessing School ID card:

- **1st Violation - FIRST** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **2nd Violation - SECOND** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **3rd Violation** – Responsible Choices Room (Lunch detention) – Issued a temporary ID and a call home by Administrator.
- **4th Violation** – Additional consequences, up to and including suspension at the discretion of Administration.

NOTE: Consequences are cumulative for the entire school year.

If requested by staff, all students must provide access to their ID. Failure to comply with a reasonable request from any staff member is defined as Defiance of Authority. Any consequence for failure to comply will be in addition to the one for the ID violation

Davis Junior High School reserves the right to modify the Student ID Policy at any time without notice. Any subsequent changes to the policy will be communicated through its normal means of dispersing information.

Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our **“Raider Red Expectations.”**

During the first week of school and throughout the year, staff members will be teaching our **“Raider Red Expectations: I Can Listen, Learn and Lead”** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning **“Raider Red Tickets”** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our “Earned Privilege Program.” The Earned Privilege Program is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to “fun” school opportunities and we are very happy about this part of our program. Our **“Raider Red Expectations: I Can Listen, Learn and Lead”** will be posted throughout the classrooms and school for easy reference for our students. The matrix of our expectations is attached for you to review (last page.) It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program. **Students that return the matrix with a parent signature will earn a “Raider Red Ticket,” during Raider Day for demonstrating leadership and will be entered in our first Friday lunch drawing on September 15, 2023.**

Every week we hold a “red card” drawing at lunch for students. Names are announced in the newsletter every week!

These students earned “Raider Red Tickets” for demonstrating that they “Listen, Learn and Lead.” Congratulations to our winners!

Tips for Becoming a Super Organized Student!

The most successful Davis students typically choose one of the following three systems for organizing themselves:

- **Binder System** -- This is the system most recommended by teachers. For each class, papers are hole-punched and organized into a binder with divider tabs (depending on the class, tab sections might include: notes, homework, quizzes/tests, review guides, labs, etc.). An organized binder allows students to easily locate papers at exam time or in the event of a grade discrepancy. The binder system also prevents the embarrassment of papers falling all over the hallway as sometimes happens when over-stuffed paper folders drop. Some students carry a two-pocket folder to each class on a daily basis and move papers into their binders regularly.
- **Trapper Keeper/Case-It** -- This system is great for students who like the ease of keeping a folder for each class clipped together in one larger central binder. When the six individual folders fill up, papers can be filed into binders with divider tabs or can be stored at home using another system until exam time.
- **Folder for Each Class** -- In this system students use an inexpensive paper or plastic two-pocket folder for each class and replace them every 5-10 weeks as they fill up. Folders for each progress report or marking period are saved at home for use at exam time.

It is not recommended to use the same two-pocket folder for all six classes. This method usually leads to disorganization, lost papers, and stress.

Some additional tips for parents and students to consider:

- **Planner** -- Students are strongly encouraged to use a student planner/agenda. Students can record assignments for each hour in the daily space and can record upcoming quizzes/tests and projects in the monthly space.
- **PowerSchool** -- PowerSchool can be checked regularly online or using the app. The UCS District Code is NKDJ. Many teachers leave progress comments in PowerSchool for parents and students. [Click here](https://ps.ucs.misd.net/public/home.html) or go to <https://ps.ucs.misd.net/public/home.html>
- **Phone/Digital Organizer** -- Students who have not been successful using a traditional planner/agenda are sometimes more successful using their phone, iPod, or other digital device. With teacher permission, students can take a photo of the daily agenda/assignments in each classroom. Students can also set reminders to turn in homework at the start of each hour or for quizzes and tests.
- **Teachers Websites** -- Many teachers have highly detailed websites explaining assignments for the week or month, outlining upcoming quiz/test dates, and providing a way to download handouts and assignments. Teacher websites are linked from our Davis website.
- **Well-Supplied Study Area at Home** -- It is a great idea for students to have a study area at home with supplies such as pencils, erasers, pencil sharpener, loose leaf paper, stapler, hole punch, etc. This prevents time wasted hunting around the house at homework time.

Davis Junior High will open doors at 7:50 a.m. Students should enter the building and report directly to the cafeteria. Parents – as a reminder for student drop off, we have two locations along the front of the school. The locations for drop off are **the A Pod entrance (look for drop off signs)** and the front of the building. To alleviate some of the traffic, please plan on dropping students off early on in the line along the sidewalk and letting them walk in the A Pod entrance. This will speed up traffic in the morning and as always, please exercise patience and caution. **One lane only for student drop off!** We appreciate your help!

Automated Phone Call: Contact Update

Utica Community Schools will continue to message important school-related information such as delayed openings or school closure through a number of resources including local media outlets. As a service to parents and staff, the district will also continue to call directly to phone numbers linked to our Automated Call Information Alert System. Parent phone numbers for the automated call are drawn from PowerSchool which should be updated at the building level.

Breakfast Information

Davis Junior High will make available nutritious breakfast to students and staff daily starting August 29, 2023. Breakfast will be served at 7:50 a.m.

Bus Passes

Bus passes are a privilege and will only be permitted if a bus has not reached capacity. Both students must be bus riders and both students must submit a note from their parent to the Main Office before 1st hour. The signed note from the parent should include the student's assigned bus number as well as the bus number they will be riding. The pass needs to be picked up by one of the students before the end of the day.

For parents new to Davis, you will notice that the most up to date information will always be at the top of the newsletter. As the month moves along, earlier editions of the newsletter are located below. This is done with the purpose of providing you an opportunity to find information in one newsletter as opposed to having to go back and review earlier editions that you may have saved. The newsletter will also be available on the Davis website.

Food Deliveries

Food that is delivered by a company such as Door Dash or Grub Hub will not be permitted at Davis. Due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. We ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. Coffee, smoothies and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Davis is aligning with Stevenson in order to provide consistent expectations for our students.

Early Dismissals

Students who need to be excused during a school day should bring in a signed note from their parents to the main office prior to school starting in the morning. The note should include the **date, time, and reason for the dismissal as well as who will be picking the child up**. Please do not leave a message for an early dismissal on our attendance line. This procedure will ensure that your child will be dismissed on time and should keep unnecessary phone calls to a minimum. **When signing your child out early, please be prepared to show identification at the main office. Office staff will be asking for a driver's license or other form of identification in order to release the student.** Your cooperation is a greatly appreciated!

Homework Requests

After a student has been absent for two days, homework requests may be made directly to the teachers, either by e-mail or phone. If parents contact the office, they will be directed to the classroom teacher. Please use PowerSchool to email teachers directly.

Information for 9th Grade Students and Parents

High School officially begins in 9th grade and students are encouraged to make a strong start with their GPA. We also recommend that students begin recording their involvement in clubs, sports, community service, and other activities.

Junior High Parent and Student Handbook

In the first days of school each year, every student in junior high participates in a handbook presentation with school administration. This handbook is a valuable resource containing information about athletic programs, bus transportation, attendance procedures, dress codes, graduation guidelines, technology use, how to communicate concerns, medical services, behavior guidelines and disciplinary procedures.

Lockers Assigned to Students

7th grade or new students will be issued lockers at Raider Day based upon their grade. Current 8th and 9th grade students will be using the locker assigned to them in 7th grade. In each locker there is a lower shelf for additional storage of books. A separate gym locker will also be issued to each child during gym class. It is the student's responsibility to keep lockers secure. ***Please remind your child not to give out combinations to their friends.*** Sharing of combinations, even with friends, usually results in problems such as lost books and/or folders. The school is not responsible for such loss.

Lunch Information and Procedures

Students will follow our lunch procedures which will include coming in, sitting at their assigned seat, waiting for instructions, getting lunch, eating, and then being dismissed. Students are assigned a table seat so that they have a place to eat every day.

MI Child

Utica Community Schools is committed to promoting the safe and effective use of technology. Through our district's K-12 digital citizenship initiatives, we are providing students with information that promotes the proper use of digital content and tools. A tool that families can use to help protect their children is the Michigan Child Protection Registry. This free service from the State of Michigan protects children's e-mail, cell phone numbers and Instant Messaging addresses from receiving inappropriate, adult-themed material. The registry can be accessed by visiting www.protectMIChild.com. In addition, parents can click on the Protect MI Child icon, which will soon appear on the district and school Web sites for direct access to the registry.

Notice to Parents of Students Needing Medications Stored in the Main Office

In preparation for the school year all health plans and authorization for medication forms should be returned to the office before the first day of school with any required medications. All medical forms can be accessed here: [Resources and Forms / Resources and Forms \(uticak12.org\)](#) If you do not have access to the website, please contact the Davis office to arrange for copies to be picked up. If your child takes the bus, you will also be asked to complete two Transportation forms. Please return one to the school office when you bring your Health Care Plan, and the second should be handed to the driver on the first day of school, both with color pictures attached. Transportation requires this be done promptly to ensure the driver is aware of any potential emergencies. If you have any questions or specific concerns, please feel free to contact your school nurse at rebecca.rosbolt@uticak12.org.

Non-Emergency Deliveries and Messages

Messages cannot be delivered to students during school hours. Non-emergency messages and deliveries will take place only at the end of 1st hour, lunchtime and at the end of the day. Students will not be released during class to report to the office to pick up messages or items brought in during the school day. Lunches will be sent to the cafeteria and distributed.

Office Telephone Use: How, When and Why?

Office telephones are available to students in case of illness and special circumstances. Students should **not** use cell phones to call parents to report illness, accidents, or to request to leave school. When circumstances arise, students are to report to the office.

Parking Lot Reminders

The beginning of a new school year can bring frustrations in the school parking lot as students are being dropped off in the morning and picked up at night. **We need to make sure we are modeling appropriate behavior for our children as well as adhering to basic rules to ensure safety in our parking lots daily.** For those parents that are new and a general reminder to all parents of how our drop off/pick up procedures works:

- The curb side student drop off area should be used as just that: Pull up between the bright orange cones, stop, the child(ren) exit the car, the car moves forward and then exits the parking lot (turning left or going straight, no right turns allowed). Dropping your child(ren) off should only take a matter of seconds and speeds the process along for all. Please do not park in these areas as it can create a massive back up of cars onto Plumbrook and slows the traffic flow down in the morning.
- This curb side drop off should **not** be used as a parking spot for parents to wait until the school doors open. If you should choose to wait for the doors to open, please utilize the parking spaces that are available.

- When exiting the parking lot, you have two options. You can either turn left on to 17-mile or proceed straight into the subdivision across the street. Turning right is not an option as it is marked by a sign with specific hours of enforcement. It also is dangerous to turn right as we have a crossing guard assisting students crossing 17-mile road.
- Bus loop - cars should not be driving through the bus loop at arrival or dismissal. This area is for school buses only and is not a cut through. Starting Monday, November 1, I have requested that the Sterling Heights Police Department ticket any car that does not follow this rule.
- Muriel Street - this is a great place to drop off and pick up your child. This would allow you to bypass the parking lot completely and utilize the crossing guard that is in front of the school on 17 mile. Several families have taken advantage of this instead of navigating the parking lot at arrival and dismissal.

Each year we send out reminder messages to parents about the parking lot and we also include information in our weekly newsletter. Please take a moment to read/listen to these messages as our intent is to make school a safer place for all. I know that together we can provide a safe environment for our children. Hopefully this time change will assist as we move into the end of fall weather and winter months. From time to time, our partnership with the Sterling Heights Police Department allows for them to randomly check out the parking lot flow and traffic patterns around the schools in Sterling Heights. Please be aware that they have issued tickets before for not following the observed traffic rules above.

Parents and Visitors

Everyone who enters Davis Junior High **must report to the Main Office**. This is a school district policy and in place to keep all students safe. You will need to sign in, put a visitor's pass on, and our office staff will be glad to assist you. Please do not attempt to gain access to the school through a side door or when students are leaving the building at dismissal.

Perfume and Cologne in School

Davis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that result in nausea and being sent home from school. These strong smells trigger asthma attacks and at times, students need to receive medical attention. We are asking students to put on their favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day. Thank-you for your cooperation and help with this

PowerSchool Information

Parents and students can view their student's schedules, attendance and grades. Parents with multiple UCS students can now create an account to access all of their data with a single login. Parents will need the access ID and access password for each student. Access IDs and passwords follow students from year to year.

PSAT/SAT Information and Practice

The Khan Academy site for SAT and PSAT practice is now available. Students, parents, and staff members can access the practice site at: <https://www.khanacademy.org/mission/sat/tasks/onboard-92829382938>.

School Safety Information

Student and staff safety remains a priority for our school. Our district uses a multi-layered approach to proactively prepare for any type of emergency that is focused on training, school-based emergency plans, an emergency preparedness team consisting of law enforcement, mental health support, and constantly reviewing our facilities to determine improvement needs to enhance security. Recently, our staff has been engaged in training related to "Standard Response Protocols." The protocols identify five specific actions that use common language related to a potential incident: Hold, Secure, Lockdown, Evacuate and Shelter. The poster below is what we have had in every classroom in Utica Community Schools in English, Arabic and Spanish since the beginning of the school year.

To show students their role during these standard response protocols, we will be presenting the following video (<https://youtu.be/Nvkz7iomzCA>) that features a high school age student demonstrating how to react during each action area. It provides training in a very relaxed and engaging way directed at secondary students. Following the viewing of the video and discussion with their teacher, students will continue practicing the school/safety drills using the standard response protocols. Thank you for your continued partnership to keep our students and staff safe.

Informational Posters are below in more detail.

Standard Response Protocol

UCS staff has been trained in the district's Standard Response Protocol used in the event of an emergency situation. Training for students is now ongoing.

The protocols have five stages:

- Hold! in the room or area and clear the halls
- Secure - Get inside. Lock Outside Doors.
- Lockdown! Locks, lights, out of sight
- Evacuate! (A location may be specified)
- Shelter - Hazare and safety strategy

Every classroom in UCS has a poster that identifies these strategies. To view the poster, please see this [link](#).

Security

The front doors will be locked during school hours. To gain access at Door #2, ring the button near the far-left door at the main entrance. Office staff will see you through the security camera and unlock the doors if deemed appropriate. Please report directly to the main office.

Social Media Information/School and Parent Responsibility

Students should not be using social media sites such as Twitter, Instagram, Facebook, Snapchat, Kick, etc. during school hours. If students are using these sites off school grounds, monitoring of the sites and student use is the sole responsibility of the parent. School staff will not be responsible for this outside of school. Should social media information create a substantial disruption to the school, you may be contacted and/or disciplinary action will be taken depending on the severity of the incident. As the parent, if you feel that your child's safety and or privacy has been violated through social media outside of school, please contact the police as a first step intervention.

Sports Physicals for the 2023-2024 School Year

For the 2023 - 2024 school year, a sport physical is required for all students who participate in sports. A physical examination must be completed on or after **April 15, 2023** to be considered a valid physical for the 2023 – 2024 school year. The MHSAA two-page physical form has not changed and remains on the district athletic page as well as on MHSAA.com. [Click here to be redirected to the MHSAA Website](#)

Student Cell Phones/Use of Electronic Devices

As we prepare to begin a new school year, it is important to revisit some district and building policies in regard to use of electronic communication devices (ECD.) With the permission of teachers, student may use cell phones in the classroom for educational purposes. **Students may not use cell phones to take pictures, text or call during the school day. Students may use their cell phones before school and after school. During the day, students should turn cell phones off and store them in their backpacks or lockers.** As always, students should not be on their phones during passing time or during the school day unless it is part of an educational reason based on the rules of the teacher.

Student ID Badges

All junior high students are required to wear their ID badge at all times. Students will get their IDs after Picture Day this year, so there will be a month where students will not be required to wear IDs. Once students receive their ID after school picture day, we always expect them to be worn. They need to be visible and, on a lanyard, which we will provide.

Student Plans for the 2023 – 2024 School Year

If you know you are moving or planning not to return to Davis Junior High this year, please send an email to Mrs. Gipson at Patrice.Gipson@uticak12.org or contact her at school (586.797.2700). If you know your plans, please let us know so we can partner with you for a smooth transition for you and your child. **Finally, if you have moved, but are still attending Davis, please let Mrs. Gipson know as well as she will need to updated address information in PowerSchool.**

Student Planners

Davis will once again be using a student planner and students will receive these books at Raider Day. The planner is a combination assignment book, classroom pass system, and organizational tool. Replacement or additional planners can be purchased at a cost of \$5.

Student Supplies/Backpacks

Student general school supplies will include backpack, laptop, charger, headphones, writing utensil and notebooks/binders.

Struggling Students

It is important to Davis counselors that ALL our students are successful. For students who may be struggling, we first encourage communication between the parent and the classroom teacher. If missing assignments are a problem, we encourage parents to try changing the question from, “Do you have homework tonight?” to “When will you complete your nightly study time?” Even on rare nights when no homework is assigned, all students will benefit from spending a minimum of 20-30 minutes each night reading textbooks, reviewing vocabulary flashcards, preparing for upcoming quizzes/tests, etc. If students don’t bring home books and materials for this study time, parents can assign reading from a book at home, etc. Once students realize that their parents are serious about consistently enforcing a mandatory nightly study time on each school night (Sunday through Thursday), they will begin to bring home and complete their assignments.

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the “*Davis Junior High School Communication Process Flowchart*,” has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. **As always, classroom concerns and questions should be directed to the specific teacher involved. The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference.** Please note that our office staff will be trained to help assist parents with this process and in many cases you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the “**Communication Process Flowchart.**” The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response.** If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don’t demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students’ behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

School issued lanyards will be provided to every student at no cost on Tuesday, September 3. Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home.**

Teachers will do periodic student ID checks in class, at the discretion of administration. Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced **IMMEDIATELY**.
- If the ID card is lost, a student may purchase a new student ID card from the office.
 - **There will be a \$5.00 fee to replace a lost ID badge and a \$1.00 fee to replace lost lanyards.**
 - At the discretion of the administration, a designated hour may be established for purchasing IDs.
- Students are excused from wearing ID cards during classes **IF** a teacher/administrator considers it to be a safety risk during identified classroom or other activities, including, but not limited to:
 - Science labs, equipment use, physical education, music, and other classes when wearing the student ID may cause entanglement or safety concerns.

Students who do not have their student ID cards will adhere to the following procedures:

Before school begins, a student who does not have a student ID must obtain a temporary ID in the Main Office.

- Please note that there is a limit of three consecutive days that a student may obtain a temporary ID. After the third consecutive day, student will report to the Assistant Principal.
- If a student reports to class **WITHOUT** a proper or temporary ID, the teacher will send the student to the office to obtain a temporary ID. The temporary ID **MUST** be worn and visible for the remainder of the day. The temporary ID will have the date issued on it and needs to be returned at the end of the day.

Consequences for Not Displaying/Possessing School ID card:

- **1st Violation - FIRST** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **2nd Violation - SECOND** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **3rd Violation** – Responsible Choices Room (Lunch detention) – Issued a temporary ID and a call home by Administrator.
- **4th Violation** – Additional consequences, up to and including suspension at the discretion of Administration.

NOTE: Consequences are cumulative for the entire school year.

****If requested by staff, all students must provide access to their ID. Failure to comply with a reasonable request from any staff member is defined as Defiance of Authority. Any consequence for failure to comply will be in addition to the one for the ID violation****

Davis Junior High School reserves the right to modify the Student ID Policy at any time without notice. Any subsequent changes to the policy will be communicated through its normal means of dispersing information.

Students may use their cell phones before school and after school. Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our **“Raider Red Expectations.”**

During the first week of school and throughout the year, staff members will be teaching our **“Raider Red Expectations: I Can Listen, Learn and Lead”** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning **“Raider Red Tickets”** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our “Earned Privilege Program.” The Earned Privilege Program is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to “fun” school opportunities and we are very happy about this part of our program. Our **“Raider Red Expectations: I Can Listen, Learn and Lead”** will be posted throughout the classrooms and school for easy reference for our students. The matrix of our expectations is attached for you to review (last page.) It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program. **Students that return the matrix with a parent signature will earn a “Raider Red Ticket,” during Raider Day for demonstrating leadership and will be entered in our first Friday lunch drawing on September 15, 2023.**

The following students were winners for the PBS Friday drawing held during their lunch:

Every week we hold a “red card” drawing at lunch for students. Names are announced in the newsletter every week!

These students earned “Raider Red Tickets” for demonstrating that they “Listen, Learn and Lead.” Congratulations to our winners!

Tips for Becoming a Super Organized Student!

The most successful Davis students typically choose one of the following three systems for organizing themselves:

- **Binder System** -- This is the system most recommended by teachers. For each class, papers are hole-punched and organized into a binder with divider tabs (depending on the class, tab sections might include: notes, homework, quizzes/tests, review guides, labs, etc.). An organized binder allows students to easily locate papers at exam time or in the event of a grade discrepancy. The binder system also prevents the embarrassment of papers falling all over the hallway as sometimes happens when over-stuffed paper folders drop. Some students carry a two-pocket folder to each class on a daily basis and move papers into their binders regularly.
- **Trapper Keeper/Case-It** -- This system is great for students who like the ease of keeping a folder for each class clipped together in one larger central binder. When the six individual folders fill up, papers can be filed into binders with divider tabs or can be stored at home using another system until exam time.
- **Folder for Each Class** -- In this system students use an inexpensive paper or plastic two-pocket folder for each class and replace them every 5-10 weeks as they fill up. Folders for each progress report or marking period are saved at home for use at exam time.

It is not recommended to use the same two-pocket folder for all six classes. This method usually leads to disorganization, lost papers, and stress.

Some additional tips for parents and students to consider:

- **Planner** -- Students are strongly encouraged to use a student planner/agenda. Students can record assignments for each hour in the daily space and can record upcoming quizzes/tests and projects in the monthly space.
- **PowerSchool** -- PowerSchool can be checked regularly online or using the app. The UCS District Code is NKDJ. Many teachers leave progress comments in PowerSchool for parents and students. [Click here](https://ps.ucs.misd.net/public/home.html) or go to <https://ps.ucs.misd.net/public/home.html>
- **Phone/Digital Organizer** -- Students who have not been successful using a traditional planner/agenda are sometimes more successful using their phone, iPod, or other digital device. With teacher permission, students can take a photo of the daily agenda/assignments in each classroom. Students can also set reminders to turn in homework at the start of each hour or for quizzes and tests.
- **Teachers Websites** -- Many teachers have highly detailed websites explaining assignments for the week or month, outlining upcoming quiz/test dates, and providing a way to download handouts and assignments. Teacher websites are linked from our Davis website.
- **Well-Supplied Study Area at Home** -- It is a great idea for students to have a study area at home with supplies such as pencils, erasers, pencil sharpener, loose leaf paper, stapler, hole punch, etc. This prevents time wasted hunting around the house at homework time.

Typical Supplies Used by Davis Junior High School Students

Concussion Awareness

As part of a new state law, all UCS and Michigan parents will receive information about concussions, their symptoms, and what to do if you suspect a concussion. UCS parents will receive the form as part of the back to school registration packets.

The form, which asks parents to sign and return to the school office, is also available at this link. The form will also be required of all new families registering in UCS for the first time. In addition to providing the parent information sheet, UCS physical education staff members and coaches will also take part in an on-line training program about concussions. For more information about concussions, please visit the recommended sites below from the Center for Disease Control:

Pay to Participate Payments

Utica Community Schools offers PaySchools, an online system which allows you to make payments online via e-check or credit card. It can now be accessed from our school's website. Parents with students participating in fall sports are encouraged to use this system. It will be available as well for a variety of school-based programs. PaySchools offers easy and convenient online access 24 hours a day, seven days a week, an end to lost checks, the ability to view account history of purchases and the assurance of private and secure transactions. Not only is this service a convenience for you, it saves the district resources that can be spent on your child's education

Information from School District Nurse

The flu season will continue through April. We wanted to provide you with some flu prevention tips:

- Hand washing is the best preventer of illness. Wash your hands often and especially before eating food, after using the bathroom, and after blowing your nose, coughing or sneezing. The CDC has a Handwashing Heroes Social Wall where you can send in pics of your kids washing their hands at: <https://www.cdc.gov/handwashing/heroes.html>
 - **Wet** your hands with clean, running water (warm or cold), turn off the tap, and apply soap.
 - **Lather** your hands by rubbing them together with the soap. Be sure to lather the backs of your hands, between your fingers, and under your nails.
 - **Scrub** your hands for at least 20 seconds. Need a timer? Hum the “Happy Birthday” song from beginning to end twice.
 - **Rinse** your hands well under clean, running water.
 - **Dry** your hands using a clean towel or air dry them.
- Cover your mouth and nose with tissue when you cough or sneeze
- Please do not send students in sick—they must be fever free for 24 hours without the use of Tylenol or Motrin
- See your doctor right away with symptoms to see if your child can get on medicine to help decrease symptoms or length of illness

Once created, you will be provided with those product choices that directly relate to your child. Just follow these easy steps:

- Create an account from your computer or tablet at: www.payschoolscentral.com
- Complete the account registration by selecting register, enter your profile details, setting up your password via the email link that will be sent to you, then logging in.
- Add your children to your account using their student ID numbers. **ID numbers are found on their report card available through PowerSchool.**
- If you like, enter credit card and/or banking information as forms of payments to use with your PaySchools account.

Website for 2018 Bond Issue Project Update

We would like to thank our community once again for its support of the 2018 bond issue. Over the next five years, bond issue projects will impact (insert school name), our feeder schools and every school in the district. To provide updates to the community, the district has created an informational page that reports the status of the projects. The site is located at <http://www.uticak12.org/2018bond/updates>.

Inclement Weather – School Closing

Inclement weather or building problems sometimes bring unexpected school closings. At Utica Community Schools there are several ways parents can be informed about these unanticipated days. Utica Community Schools will implement the use of School Messenger, our mass parent communication system, to make telephone calls to parents/guardians informing them of school closing information. It is important that we have updated contact phone numbers. Please make sure that you notify the main office if there are any changes.

For parents connected to the Internet, the district's web page, www.uticak12.org, lists school closings under the emergency school closing button listed on the main page. School closing information is broadcasted on radio stations WJR 760 and WWJ 950. Television stations airing school closing information are UCS TV, Channel 2 (WJBK), Channel 4 (WDIV) and Channel 7 (WXYZ).
