

Utica Community Schools

2024 Hybrid Credit Recovery

Utica Community Schools is pleased to offer a hybrid summer opportunity. Students in grades 9-11 will use a nationally accredited online learning system in order to restore credit towards their high school graduation requirements.

- The hybrid format is a self-paced, computer-based course. While a teacher is available for assistance, direct instruction is not available. This requires students to be on task and self-motivated.
- Students may take up to 2 classes at a time, via hybrid that they did not receive credit for. Additional classes may be taken online if time permits.
- Students are required to attend 10 hours of in person sessions prior to July 3, 2024. This includes orientation to the hybrid program, tests and final exams.
- All tests and final exams must be taken on-site.
- Students must earn a minimum overall score of 60% to receive a letter grade and credit for the course.
- Each student will be assigned a mentor teacher who will be their point of contact for any issues that may arise during the course. Teachers are available on-site Monday through Friday.
- Online courses for NCAA eligibility will be available upon request.
- Be sure to contact your counselor prior to signing up for summer school.

Who would benefit from this program?

Students currently in grades 9 – 11 who would benefit from an online session to restore credits toward high school graduation requirements.

How do I register?

Go to <https://ucsccommunityeducation.ce.eleyo.com/> to register online.
